QS World University Ranking 2019

Glion ranks among the world's top 4 institutions for hospitality and leisure management and consistently in the top 2 worldwide for employer reputation.

Glion Study Choices in Two Countries

For our semester abroad program, students can select their preferred location between two of our campuses to match their personal and professional goals. Students can choose between our Bulle campus in Switzerland, or our London campus in the United Kingdom.

Bulle Campus - Switzerland

The campus feels like a business college, set between beautiful mountains, a medieval town and a thriving city. The historic old town of Bulle has a chateau and weekly market, mixed in with modern buildings and shops, trendy bars and cafes. It's the perfect place for students to relax and concentrate on their studies while having easy access to everything a student might require.

London Campus - United Kingdom

Situated in Downshire House – a seventeenth-century mansion – Glion London offers a modern learning environment in a historical setting. Located just over half an hour away from the West End, students can enjoy a range of artistic, cultural and entertainment choices. Students also experience the exciting city of London, a thriving metropolis for business, tourism and education.
