Day Three

This morning we travel to the Southern Shore of the Avalon Peninsula along the winding coastline of the beautiful Irish Loop, which is dotted with small 'outport' communities for which Newfoundland is so famous. For those willing and able to walk the 35 minutes to Ferryland Head, lunch today will be at the Ferryland Lighthouse Picnic. Gourmet picnic lunches are served to as we sit on the grass overlooking the ocean. For others we have a nice local meal in Ferryland. This afternoon we will travel up the Irish Loop to the community of Bay Bulls. 9 DAY EASTERN NEWFOUNDLAND & ST. PIERRE TOUR

Day Four

Today we will go "around the Bay" along the picturesque coastline of Conception Bay, the home of pirates of centuries ago. We will stop along the way for picture taking and to visit some of the more interesting villages such as Holyrood and Brigus, one of the historic sailing ports of Conception Bay and home of the late, famous Captain Bob Bartlett who took Perry to the North Pole. This evening we travel to Trinity, our home for the next two nights. This is the oldest, perhaps most picturesque fishing community on the island.

Overnight Trinity. Breakfast, Midday Meal & Dinner.

Day Five

This morning we travel to Bonavista, the landing place of John Cabot in 1497. Here we visit the lighthouse at Cape Bonavista as well as the Ryan Premises, a National Historic Site dedicated to the explanation of the history of our cod fishing industry. This afternoon we travel back to historic Trinity. Here we walk about the town exploring the historic properties and shops.

Overnight Trinity. Breakfast & Midday Meal.

Day Six

This morning we travel to Fortune on the Burin Peninsula. From here we take a ferry to France; the Island of St. Pierre. With a population of 6500, the infrastructure is modern and urban. The residents are a combination of rotating French employees and those who have lived on the island for many generations. Their traditions are completely European with an interesting mixture of French and Basque culture and history. On arrival in St. Pierre we take a tour of the island. The late afternoon is left free. Tonight we enjoy true French cuisine where we dine at one of St. Pierre's finest restaurants.

Overnight St. Pierre. Breakfast, Midday Meal & Dinner.

Day Seven

Today we have options to suit the interests of the group. Some may choose to take a half day tour to Isle aux Marins (Sailor's Island). This is a small island situated in the mouth of the harbour from Saint-Pierre. It was at one time a fishing village of 600 souls, which made it larger than St. Pierre. Others may choose to take a free morning in St. Pierre to visit the sites and museums or to 'twack' around in the shops that feature many imports from France and other parts of Europe.

Overnight St. Pierre. Breakfast & Dinner.

Day Eight

This morning we catch the ferry back to Fortune, Newfoundland. We drive up the "Burin Boot" and then head into St. John's. The group is free in the afternoon to explore the downtown area. Tonight we share our farewell dinner.

Overnight St. John's. Breakfast, Midday Meal & Farewell Dinner.
