INTRODUCTION

TRUCKMAN CANOPIES – THE ULTIMATE D-MAX ACCESSORY

For over 15 years, Truckman – the UK's leading canopy supplier have been proud to work in partnership with Isuzu.

Truckman canopies are renowned for their robust, secure and stylish features, the ideal solution for leisure and commercial users.

Dating back to 1982, the Truckman brand has become an iconic name in the automotive sector and the approved Isuzu range has been specifically designed for the multi award winning D-MAX.

Designed, engineered and built in the UK, Truckman's commercial canopies have been specifically developed using state-of-the-art manufacturing to produce the perfect canopy for Isuzu D-MAX customers.

HOW TO ORDER:

Our range of Truckman canopies and accessories are detailed in this brochure, at www.isuzuaccessories.co.uk and the IMOLA parts system.

Please use the order forms provided and email to isuzu@autostylinguk.co.uk or fax to 01384 485 453.

Truckman will deliver the canopy straight to your dealership.

All Truckman canopies come with a 3 year warranty.

Grand

changes a pick-up into **AN ESTATE CAR**

*shown with optional roof bars

The Truckman Grand is our bestselling luxury canopy because of its sleek stylish looks, strong glass-fibre construction and feature rich design. The Grand is a flush fitting canopy which is the same height as the cab and has the added benefit of single glazed side pop-out windows allowing extra light to enter the canopy and minimising blind spots when driving.

Customers from families to outdoor adventurers will love the remote central locking, automatic interior light, opening bulkhead window, interior lining and third brake light that come as standard - an excellent all-round choice of canopy for your Isuzu pick-up.

Available for Double Cab.

Features

- Pop out side windows
- Cab height
- Spoiler
- Colour coded
- High level brake light
- Remote central locking
- Vinyl lined interior
- Automatic interior light
- Opening bulkhead window
- Roof bars (optional)

Available Colours

	NAUTILUS BLUE		VENETIAN RED
	COSMIC BLACK		MAGMA RED (FURY)
	SPLASH WHITE		TITANIUM SILVER
	TUNDRA GREEN		MINERAL GREY

Opening side window

GLS & GLE

changes a pick-up into **THE DOG LOVERS TRUCK**

Add a little luxury for you and your dogs with the Truckman GLS canopy.

The GLS has been tailor-made to seamlessly complement the stylish and sporty lines of the Isuzu D-Max Double Cab. With sliding windows, this luxury canopy is the practical solution for those looking to add a little versatility to their vehicle – and the perfect solution for dog owners.

The GLE is the equivalent canopy for the D-MAX Extended Cab.

TIP! Add extra comfort and stability for your four legged friends with the Bedrug or Bedmat.

GLE for the Extended Cab

Features

- Sliding side windows
- Cab height
- Colour coded
- Spoiler (integrated on GLE)
- High level brake light
- Remote central locking
- Vinyl lined interior
- Automatic interior light
- Opening bulkhead window
- Rear demister
- Roof bars as standard on GLE

Available Colours

	<i>NAUTILUS BLUE</i>		<i>VENETIAN RED</i>
	<i>COSMIC BLACK</i>		<i>TITANIUM SILVER</i>
	<i>SPLASH WHITE</i>		<i>MINERAL GREY</i>
	<i>TUNDRA GREEN</i>		

Max 3

changes a pick-up into **AN SUV**

The Truckman Max 3 is a great 'entry-level' canopy. The strong and durable ABS shell, painted as standard, complements a feature rich design that includes a lined interior, tinted windows, 55kg capacity roof bars, high level brake light and an interior light.

All of this combined with sliding side windows make it a simple solution to a simple canopy requirement.

Available for Double Cab.

Sliding side window

Features

- Sliding side windows
- Cab height
- Carpet lined interior
- Tinted windows
- High level brake light
- Interior light
- Plug & play wiring connectors
- Colour coded
- 55kg capacity roof bars

Available Colours

	NAUTILUS BLUE		VENETIAN RED
	COSMIC BLACK		TITANIUM SILVER
	SPLASH WHITE		MINERAL GREY
	TUNDRA GREEN		

S-Series

changes a pick-up into **A TRUE MPV**

The cab high Truckman S-Series hardtop boasts gull wing opening side doors (available as either solid or glass) which allows full round access to the vehicle bed. Fully secure - without compromising the features of the luxury Truckman hardtop range.

The ideal canopy for families and business users looking for a solid and secure canopy with easy all round access.

Available for Double Cab.

Gull wing side access

Features

- Gull wing opening side doors (solid or glass)
- Cab height
- Spoiler
- High level brake light
- Remote central locking
- Carpet lined interior
- Automatic interior light
- Opening bulkhead window
- Tinted windows
- Roof bars (optional)

Available Colours

	<i>NAUTILUS BLUE</i>		<i>VENETIAN RED</i>
	<i>COSMIC BLACK</i>		<i>TITANIUM SILVER</i>
	<i>SPLASH WHITE</i>		<i>MINERAL GREY</i>
	<i>TUNDRA GREEN</i>		

L-Series

changes a pick-up into **A VERSITILE PICK-UP**

The Truckman L-Series is a solid sided canopy which means your load is hidden from view and adds extra security. This canopy is extensively featured, designed to be flush with the vehicle cab and is colour coded, all of which further complements the look of the D-MAX.

This canopy is ideal for anyone who wants a secure load bed when using their pick-up for work or play.

Available for Double Cab and Extended Cab.

Solid sided

Features

- Solid sided
- Cab height
- Spoiler
- Colour coded
- High level brake light
- Remote central locking
- Carpet lined interior
- Automatic interior light
- Opening bulkhead window
- Tinted windows
- Roof bars (optional)
- Roof vents (optional)

Available Colours

	<i>NAUTILUS BLUE</i>		<i>VENETIAN RED</i>
	<i>COSMIC BLACK</i>		<i>TITANIUM SILVER</i>
	<i>SPLASH WHITE</i>		<i>MINERAL GREY</i>
	<i>TUNDRA GREEN</i>		

RS

changes a pick-up into **A CAR DERIVED VAN**

The Truckman RS is designed to appeal to both the leisure and commercial markets. Designed, engineered and manufactured in the UK specifically for Isuzu, it's made to order meaning availability is high and lead times short.

As with all Truckman commercial canopies, if you have specific requirements (vents, beacons, doors etc) check out the range of options later in this brochure.

A new grill door (right) is an ideal option for agricultural business users.

Available for Double Cab.

Grill door (optional)

Features

- Solid sided for extra security
- Cab height
- High gloss finish
- Integrated spoiler
- Non-drill clamp fitting
- Automatic battery interior light (not on grill door)
- Designed to be fitted with ply lining
- Colour coded (optional)
- Roof bars (optional)
- Cross bars (optional)

Available Colours

	NAUTILUS BLUE		VENETIAN RED
	COSMIC BLACK		TITANIUM SILVER
	SPLASH WHITE		MINERAL GREY
	TUNDRA GREEN		ANY PAINT CODE

Classic

changes a pick-up into **A HIGH CAPACITY VAN**

All of our iconic Truckman Classics are built to order at our West Midlands factory, meaning we can provide short lead times. These canopies are one of the strongest on the market and their high capacity design makes them ideal for the toughest and biggest of jobs.

Construction and utility companies, farmers and sole-traders can customise the Classic to fit their specific needs (see options) on top of the standard wipe-clean interior and integral ladder rack.

Available for Double Cab, Extended Cab and Single Cab.

100kg static roof strength

Features

- Solid sided for extra security
- Conduit for easy wiring (optional)
- British design and build
- Significant roof strength (100kg static weight)
- High capacity
- High gloss white finish
- Wash clean interior
- Multiple options (vents, roof bars, lights etc)
- Colour coded (optional)
- Delta roof bars (optional)
- Designed to be fitted with ply lining

Available Colours

	NAUTILUS BLUE		VENETIAN RED
	COSMIC BLACK		TITANIUM SILVER
	SPLASH WHITE		MINERAL GREY
	TUNDRA GREEN		ANY PAINT CODE

Utility

changes a pick-up into **A MOBILE WORKSHOP**

The Truckman Utility transforms your Isuzu pick-up into a mobile workshop. It offers high capacity, maximum space for racking and all-round access through gull wing doors. It also boasts a conduit system for bespoke wiring which offers full versatility to this commercial canopy.

Existing fleet customers and field based engineers tell us the Truckman Utility is the perfect canopy in terms of capacity, accessibility and functionality. See options later in this brochure to customise your canopy.

Available for Double Cab and Extended Cab.

Opening side doors with racking system

Features

- Gull wing side access
- Conduit for easy wiring
- British design and build
- Significant roof strength (100kg static weight)
- High capacity
- High gloss finish
- Wash clean interior

BedMat

Protect your knees, tools, fragile loads and even your beloved dog!

With its cushioned foam non-skid surface, the BedMat keeps everything in place while protecting your cargo and your knees. This mat is fade and UV resistant and to clean simply hose down and it will dry within 20 minutes. It will not absorb water, so it will stand up to whatever you throw at it and fits perfectly to your bedliner.

BedRug

The ultimate in load liner luxury, the BedRug is the premium alternative to the BedMat. The soft-touch, hard-wearing BedRug fits snug inside your Isuzu D-Max, filling in the ribs and contours of the truck bed to provide a smooth, void-free loading surface.

Toolboxes

The MAX range of toolboxes are ideal for the D-Max! Heavy duty storage solutions which sit at the back of your pick-up bed and provide an extra layer of security for your tools or prized possessions.

This range includes the Concorde 1 (main image), Concorde 2, Concorde Extra and Phantom Gull Wing.
