imageRUNNER 2204F

Reliable and affordable out of the box multifunctional

A3 black and white printing, copying, scanning and faxing up to 22 ppm (A4). Ideal for cost-conscious individuals and small workgroups

Cost efficient all-in-one solution

- Scalable functionality enables you to easily choose what best fits your specific requirements without compromising simplicity.

- With durable design and flexible capabilities across print, copy, scan, fax, and connectivity, this device is perfect to be used as a personal or shared device, saving office space and money.

- Ideal for busy small offices, the imageRUNNER 2204F simplifies and speeds up everyday document handling.

Intuitive operation and productive document handling

- An intuitive 3.5 inch touchscreen display provides user friendly and straightforward operation.

- Reliable printing, copying and scanning up to 22ppm (A4) enhances office document productivity.

- Canon's smart MF Toolbox application allows scanned originals to be sent to email addresses and folders as well as to be converted to searchable and high compression PDF formats.

- Convenient ID Copy function facilitates the copying of documents such as Passports or ID Cards on to a single side of paper, saving time and effort.

- Further connectivity choices are provided with embedded WIFI and support for mobile printing standards such as Apple AirPrint™, Mopria and Google Cloud Print.

Easy integration and peace of mind

- This machine is easy to install and the initial set up can be completed in minutes with a built-in setup guide.

- For shared devices, basic user authentication through Department ID secures access to the device and provides simple control of usage.

- Automated meter reading, consumables management and remote diagnostics are available through eMaintenance, removing administrative burden and enhancing device availability.

Energy efficient

- Class-leading TEC[1] rating.

- Consumes 2W or less in sleep mode.

- ENERGY STAR® qualified.
