PM100 – Tabletop Plate Mounter

Sophisticated, Affordable and Easy-to-Use

Accurate plate mounting is critical to any print operation. The PM100 is a mechanical option providing high-quality plate mounting at an appealing price point.

Quick and easy to calibrate, this tabletop plate mounter accommodates a wide range of cylinder sizes, making it perfect for any print shop. Mounting cones are provided for even the latest in flexo print cylinder technologies. Far quicker and more accurate than hand mounting but without the cost of video mounting, the Mark Andy PM100 is a precise tool for quality-critical print runs.

Features

- Precision mounting plate with grid
- Easy-lift plate
- Slide-out mounting table for easy viewing
- Conveniently located tape holder
- Heavy-duty 1 inch (25 mm) frame

Benefits

- Easy to calibrate
- No electric / pneumatic requirements
- Enhanced productivity
- Increased quality
