Pricing Policy

At Monaco we are 100% committed to offering our customers outstanding value for money and transparent no-nonsense pricing. With our price plan you are guaranteed peace of mind, friendly and efficient service and, of course, the highest quality marquees, equipment and accessories.

Our prices have absolutely no hidden charges – they include comprehensive insurance for your event, delivery, and we clearly display the VAT at the bottom of every quote.

During the planning stages you will receive a detailed site visit to discuss your needs, and as many further meetings required to ensure your peace of mind and a perfect event.

Although this guide will give you an indication of price, discounts and promotion packages are often available. Please ask for details.
