A message to our valued clients,

The Administrative Professionals Conference (APC) in Toronto will occur as scheduled, June 21-24, 2020.

We take pride in offering vital business opportunities to our customers, including networking and education and are working diligently to ensure APC Toronto and our other events live up to our high standards. We are focused on making APC Toronto a successful and enjoyable event for all attendees and exhibitors.

In the last week we have continued to have many new attendees sign up for the conference. In fact, registration numbers are tracking ahead of 2019.

Macgregor Communications is monitoring the COVID-19 virus and its impact on a daily basis. We will continue to provide updates on our website and directly to our attendees as we get closer to the event. The health and safety of our delegates and stakeholders is our utmost priority.

Sincerely,

Amy Ruddell
