EAST AFRICAN CLASSIC SAFARI RALLY 2019

Date: 17th September, 2019

To All Competitors, Service Crews and Officials,

RE: EXTRA CHARGES LEVIED BY GOVERNMENT AUTHORITIES IN KENYA AND TANZANIA

1. THIRD PARTY VEHICLE INSURANCE, COMESA INSURANCE AND ROAD LICENCES

It is **obligatory** for all vehicles (Rally cars and service cars) driven in Kenya to have a valid 3rd Party Insurance cover and **International COMESA Yellow Card Third Party Insurance** cover for use in Tanzania.

All foreign registered vehicles must have a **Foreign Road Licence** valid both in Kenya and Tanzania. This is a small round disc which must be displayed on the windscreen or side window.

You can obtain the legal documents yourself from your insurance company in Kenya and the Kenya Revenue Authority.

The organizers can apply for the 3rd Party Kenya Insurance, COMESA Tanzania insurance from our brokers and all the necessary Road permit licences for you at **a total cost of US\$ 450 per vehicle.**

All Kenya registered vehicles have to pay USD\$ 25 for crossing over to Tanzania each time. This must be paid at documentation.

If you would like us to apply the entire insurance covers for you in advance, then please send us a copy of the vehicle registration papers and a copy of the driving licences of the driver of the car by email or by post.

It is advisable to obtain all the documents in advance to save last minute rush at documentation.

Payment for this can be done at signing on in Mombasa or we can send you an invoice in advance so that payment is done well before the rally.

Please note that this is not a "hidden charge" levied by the organizers. It is a legal requirement from the authorities in Kenya and Tanzania and not organizers charges. We are only helping to facilitate these legal requirements.
