WINDSOR MARQUEES

PAVILIONS & FRAMED TENTS

Started in 1996 by Gerome Mezo, Windsor Marquees offers the highest standards in marquee hire, priding ourselves on personal service, care and attention to detail.

We can supply marquees for all types of events from Airshows, Balls, Speechdays, Public Events, Rowing Regattas, Corporate Entertainment, Product launches, Cricket festivals, Polo Matches, Surprise Parties, Weddings, Country Fairs and much more.

Gerome is present on all the installations taking an active part in the installation of the marquee whether it's for a small family celebration catering for twenty, or a large

wedding or corporate event, our commitment to detail from initial enquiry to quote, set up and packing away is total.

Weddings. If your wedding is on a Saturday we will have the marquee finished by the Thursday evening (subject to confirmation at the time of booking), so that this gives yourselves and every-body else 24hrs to decorate the interior of the marquee as you want it. All the Furniture is arranged for you by ourselves as per the agreed plan at the time of our meeting or later.

Using all our own equipment allows us to keep our costs within an affordable budget while keeping standards to the highest quality.

Whatever the occasion whether for 40 guests or 500 arranging this can be a very daunting task. We can also help with suggestions for suppliers for such things as toilets, power supply, fireworks, caterers etc.

I would be happy to meet you and discuss your plans for your occasion in detail and produce a detailed plan and quotation for your consideration.

I look forward to meeting you to discuss your plans.

Gerome Mezo.
