## World Missions Announces Three New Cities

By Janet Price

During the traditional Thursday night World Missions service, International Director of Church of God World Missions Dr. David Griffis and Assistant Director Dr. M. Thomas Propes announced the addition of three new cities to its Send the Light to the Cities project.

Send the Light to the Cities began as a vision of Dr. Griffis. Eleven tactical cities were selected as a FINISH strategy for the Great Commission. To effectively

evangelize the world, the impetus must be directed to where the people are—in large metropolitan areas.

The primary goals of the World Missions project are to evangelize the cities, plant churches, provide an evangelism and training center in each; and then, like the Good Samaritan, stay alongside them until they are able to sustain their own commitment to FINISH the Great Commission.

Hundreds of Church of God members from around the world participated in the Parade of Nations.

## Friday Service Spotlights Jeremiah Generation

By Cameron Fisher

Tonight's concluding service of the International General Assembly will focus on the next generation of leaders—what General Overseer Tim Hill has commissioned as the "Jeremiah Generation."

The service will be a showcase of talent and leadership, led by Hill. Backing up the evening musically will be a massive youth choir, made up of young people of all ages, including those who have traveled to compete in this week's Junior Talent competition.

Also spotlighted will be Brooke Mills Simpson, an alumna of Lee University who, two years ago, placed in the

finals of the popular NBC talent search, *The Voice*. Her run of several weeks on the show catapulted her career and Christian witness around the world as she boldly proclaimed her love for Christ through testimony and choice of performances. Currently, Brooke is a church worship leader along with her husband.

God has led the initial directive from the onset, and today great success has been achieved in many of the original SL2C around the world.

The three new cities announced on Thursday evening include Edinburgh, Scotland; Tokyo, Japan; and Buenos Aires, Argentina. Bringing the “light” to these cities will be accomplished first by deliberate prayer, and then through providing a HUB Center, which will serve as a church, a training center, and a church planting base.

A portion of the SL2C initiative focuses on Acts 10:34b-35, which states, “God ... accepts men from every nation

who fear him and do what is right” (NIV 1984).

“World Missions relies on its faithful partners to increase the vision of SL2C,” Griffis stated. “Discipleship training is key to fulfilling God’s command. People from every nation who fear him and will do what is right is God’s purpose. Our responsibility is to present a way for disciples to follow His leading and share the Gospel with all who need to hear.”

“We are enthused and grateful for the opportunity to extend the Send the Light project emphasis to these added dynamic cities of enhanced populations,” Griffis concluded. “God is in the soul-saving business, and we want to be part of this exceptional time in spiritual history in the FINISH aspect of the Great Commission!” ♦

# Indianapolis to Host GA2020

—continued from page 1

This will be the first time the General Assembly has been held in Indianapolis since 2006. Previously, the Midwestern city was the site in 2002 and 1996.

When the Church of God was there for the 71st General Assembly the venue was the RCA Dome and adjoining convention center. Since 2006, the RCA Dome has been razed and the convention center expanded into a portion of the space. The 2020 Assembly will be conducted in the expanded convention center.

“Indianapolis is a beautiful and versatile city for our needs,” stated Secretary General John D. Childers who also serves as chairman of the General Assembly Cabinet. “There are connecting skybridges with local hotels and a convenient adjoining shopping center. In addition the expanded convention center space since the last time we gathered there offers plenty of room for us to conduct the business and events of the General Assembly.” ♦

# International General Council Business Continues on Thursday

By Randall Parris

On Thursday, August 2, the International General Council continued with the business at hand. The Council completed the published agenda the previous day. Near the close of the Wednesday General Council Business Session, a number of positive, honoring, and appreciative resolutions were offered:

—A Resolution of Affirmation for Dr. Timothy Hill was presented and warmly received.

—A Resolution of Appreciation for the International Executive Committee was presented and welcomed by the International General Council.

—A Resolution of Appreciation for the International Executive Council was offered with thankfulness.

—A Resolution of Appreciation for the General Assembly Cabinet was presented with gratefulness.

—A Resolution of Appreciation to the City of Orlando for hosting the International General Assembly was shared.

—A Resolution of Cooperation about Finishing the Great Commission was affirmed.

—A Resolution on School Violence was shared and affirmed.

On Thursday, Bruce Deel, of the City of Refuge in Atlanta shared his amazing story of Urban Ministry during the Special Order of the Day. Business then turned to motions from the Motions Committee. During both the morning and afternoon Thursday International General Council Sessions, several recommendations were processed.

**Motion 1:** After a great deal of discussion, debate, and work, Motion One eventually passed. That motion increased the minimum required number of pastors on the Council of Eighteen from nine to twelve.

**Motion 2:** This motion offered recommendations regarding the separation of agenda items pertaining only to the United States be offered for debate only to members of the International

General Council who are members of Church of God congregations within the United States. After some discussion and debate, this item failed.

**Motion 3:** This was very similar in scope and content to Motion Two, and also failed.

**Motion 4:** This was a motion for amendment, changing the minimum amount of contribution to the pastor's *Church of God Minister's Retirement Plan* from 5 percent to 10 percent. This motion carried.

**Motions 5 and 6:** These motions strengthened and clarified the process and potential discipline regarding pastors found at fault for failing to send in their respective church reports for four (4) months. This measure carried.

Other motions that were offered to the Motions Committee had not yet been vetted, reviewed by the International Executive Committee, or prepared for visual presentation to the body. Therefore, the International General Council adjourned and resumed business on Friday morning." ♦

The advertisement features a large bald eagle in flight on the left, set against a background of a golden wheat field under a clear sky. In the center, a gold ribbon banner curves across the page, containing the text "Living Worship Center" in blue script. Above the banner is a circular logo with a purple border containing a yellow sunburst and a black eagle silhouette, with the word "Radiant" written below it. To the right, a photograph of Bishop and First Lady Pelt is shown standing outdoors; the First Lady is wearing a white dress with a yellow floral necklace. Below the eagle and banner, the text "Celebrates the 77th International General Assembly" is written in large, bold, serif capital letters. At the bottom, the words "RADIANT RADICAL RIGHTEOUS" are displayed in a row. A QR code is located in the bottom right corner. The website "www.radliving.org" is prominently featured at the bottom center.

# USA Missions: Planting and Revitalizing Local Churches

By Mitchell Maloney, Director of USA Missions

## Planting Life-Giving Churches to Multiply the Kingdom

USA Missions is devoted to spreading the Gospel of the Kingdom of God, and is dedicated to the mission of the FINISH Commitment to answer the call of the Great Commission. One way that USA Missions is answering that call is through church planting.

The foundation of church planting is found in Acts 2:42, 46-47, which reads:

And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers . . . So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

In this passage, we discover a model for planting and establishing churches. As

we plant churches, we must remember the church in Acts and ask the question, "Can this model work today?"

As the believers in Acts met both in the temple and from house to house, so we must be willing to plant churches in whatever venue the Lord provides. Whether you meet in a home, a traditional church building, or even a coffee shop, there is an opportunity to multiply the body of Christ.

To paraphrase Mark Batterson in his book, *The Circle Maker*, the coffee houses of today are like Jacob's well in the New Testament—a place to gather and an opportunity to establish real relationships.

Indeed, the Church of God has seen growth through church planting in the

past few years. From 2016–2018 alone, 478 new church plants were launched. In the previous four years, 2012–2016, 450 churches were planted. The goal set to plant 1,000 churches by 2020 at the 2012 International General Assembly will be reached in 2019. To God be the glory!

We believe that the abundant growth in local congregations comes as a result of concentrated prayer for the growth of the church. From concentrated prayer comes a contagious mission to spread the love of Christ to the ends of the earth. This contagious mission results in celebratory worship; and as we celebrate as a body and worship our Father in heaven, we form caring connections with those around us. These caring connections develop in time to a committed discipleship that fuels the spread of the Gospel, healthy churches, and a soil that is ripe for church planting.

Do you want to learn more about church planting and how to plant a life-giving church? Visit us at [usamissions.com](http://usamissions.com) or stop by our booth in the Exhibit Hall. ♦

## Revitalizing Your Church's Health

USA Missions is devoted to providing resources, coaching, and training for local Church of God congregations. The apostle Paul used the analogy of "the church as the body of Christ" (I Corinthians 12). The body of Christ is one unit that is made up of many parts, with each part being essential to the overall health of the body. So it is with the church.

As a church, we fail to acknowledge the value of every church regardless of size or location. Really, all churches, pastors, and members are important to God and should be to us as well. Around 80–85 percent of churches in the USA and Canada have an average attendance of 85 or less. Many of these churches are plateaued or in serious decline. These churches have

become unhealthy and don't know it. Revitalization is not just about growing, but it is about being a healthy church.

Through USA Missions, we are committed to helping our existing churches through a revitalization process. Churches don't have to die if they are willing to respect the past, refocus their vision, plan for success, and revitalize their church. We have developed a system to help your church do just that.

We believe that it is not the size of the church that matters, but the health of the church. When it comes to your local congregation, there are six key factors that serve as a map for

church health—they are: prayer, worship, evangelism, discipleship, fellowship, and serving in the community. These factors, when biblically and consistently applied, make for a healthy congregation and a lasting mission.

Acts 2:42-47 gives us a potential model for a healthy and growing church through concentrated prayer, caring connections, committed discipleship, contagious mission, and culminating in celebratory worship. A healthy church engaged in these practices can consistently serve their community for Christ.

At USA Missions, our goal is to create and resource partnerships with existing churches to FINISH the Great Commission.

Do you want to learn more about revitalizing your church congregation? Visit us online at [USAMissions.com](http://USAMissions.com) or stop by our booth in the Exhibit Hall. ♦

# Concilio General Internacional Completa la Agenda en la Tarde del Miércoles

Por Randall Parris

La sesión del CGI del día de ayer comenzó con una sesión de oración. El ambiente de alabanza y adoración se saturó con la gracia del Señor de cara a la agenda de los trabajos día.

El asunto número cuatro trataba una resolución sobre la *Afirmación de la doctrina*. La resolución presentada solicitaba que la denominación reafirmara su postura a favor de toda la Biblia debidamente trazada, la Declaración de Fe, los compromisos doctrinales, así como los énfasis pentecostales en el hablar en lenguas como la prueba del bautismo con el Espíritu Santo, y que estas verdades sean enseñadas a los jóvenes. Esta resolución fue aprobada con unas pocas enmiendas.

Se aprobó una resolución sobre los *Cambios estructurales* (asunto #5). Esta resolución menciona la fidelidad tanto de los ministros como de las iglesias con el rendimiento de sus informes ministeriales y diezmos; se consideraba el término de los directores estatales/regionales de Juventud y Discipulado; además, solicitaba que se nombraba un comité de estudio de la misión global de la denominación.

El asunto número 6 que buscaba la revisión de la composición del Concilio Ejecutivo Internacional fue remitido a comité. El siguiente asunto sobre la revisión editorial de los deberes del supervisor general también fue aprobado inmediatamente. El asunto número 8, que buscaba limitar el término de los directores estatales/regionales de Juventud y Discipulado de ocho a cuatro años, fue aprobado. El asunto número nueve con respecto al límite del término máximo de los directores estatales/regionales de Juventud y Discipulado también fue referido a comité.

El asunto número 10 fue aprobado. Este concernía el nombramiento de una comisión para la revisión del proceso de nombramiento de líderes, incluyendo la diversidad multicultural del Concilio Ejecutivo Internacional. El asunto número 11 fue aprobado, recomendando la creación de un grupo diverso que tuviera a su cargo el estudio de los procesos de rehabilitación

Editorial Evangélica, bajo los auspicios de Misiones Mundiales de la Iglesia de Dios, comenzó como una respuesta a la necesidad de recursos literarios en español para América Latina y las iglesias de habla hispana que se afiliaron a la Iglesia de Dios en los Estados Unidos a mediados de la década del cuarenta. Desde entonces, ha cumplido fielmente su misión de desarrollar y distribuir los recursos impresos en español en los Estados Unidos, Canadá, Europa y América Latina. # Remembering Ministers Who Have Gone to Their Eternal Reward

*"Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is."* —1 John 3:2 (KJV)

## MEMORIAL CELEBRATION – Friday, August 3, 2018

We offer praise and thanks to those who we celebrate in this service. They have not only reached their reward, but they have left us with a lasting legacy – a legacy of sacrificial service to the King of Kings.

While we miss our loved ones, we take comfort in the assurance found in 1 Thessalonians 4:16-17: "For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord." Upon this amazing promise we put our trust.

The Church of God has a great heritage, primarily because of the work and efforts of those listed below and honored in the Friday evening memorial service. Although our hearts are heavy because of the loss of these heroes of the faith, we rejoice in the fact that they have made Heaven their eternal home. Most importantly, we look forward to joining them and seeing our Savior face-to-face.

Thank you for sharing your loved ones with us. They truly have FINISHED strong.

—2016-2018 International Executive Committee

**Send the Light  
to the Cities**

PRESENTS

# NEW Cities Added!

Dr. David M. Griffis, World Missions Director, and Dr. M. Thomas Propes, Assistant Director, have just announced the addition of Edinburgh, Scotland; Tokyo, Japan; and Buenos Aires, Argentina as cities of focus in the SEND THE LIGHT TO THE CITIES endeavor moving forward.

**Join us as partners** in bringing Light to these cities through a HUB center which will be a church, a training center, and a church planting base.

Let your light so *shine* before men,  
that they may see your good works,  
and *glorify* your Father which is  
in heaven (Matthew 5:16).
