INTERNATIONAL

INSURANCE

London Market & Europe Insurance

Products and Capabilities

Since our inception, Sampo International has broadened our capabilities and distribution channels to become a leading specialty insurance company in the London Market. We have now expanded our global reach into the European Union with the integration of Sampo Europe, the establishment of a new insurer based in Luxembourg and access to Lloyd's Brussels.

With a dedicated team comprised of the highest quality underwriters, claims and support professionals with years of experience in their disciplines, we are recognized as an approachable and trusted partner to our intermediaries and clients. Our specialty underwriters spend time understanding each client's risk exposures and we have quickly gained a reputation for providing sustainable and pragmatic solutions.

With a client-focused approach and diverse product offerings, we are well positioned to provide efficient and responsive service to our clients throughout Europe.

I encourage you to visit our website or contact our London Market & Europe underwriting teams to learn more.

Graham Evans
Chief Executive Officer,
London Market & Europe Insurance
Sampo International

Our Commitment to the London & European Markets:

With a commitment to the London & European Markets, our Insurance teams underwrite specialty risks through several strongly capitalized A+ S&P rated underwriting platforms.

Endurance at Lloyd's, managing agent of Syndicate 5151, delivers customized products to clients around the world.

Endurance Worldwide Insurance Limited, our London-based company platform, offers UK and U.S. surplus lines capabilities.

SI Insurance (Europe), SA, our new Luxembourg-based insurance company, provides a diverse range of products to clients across the European Economic Area.

Working through broad distribution networks outside of North America, we offer the following products to accounts around the globe:

- Accident & Health
- Aerospace
- Casualty
- Energy
- Marine
- Political & Financial Risk
- Professional Lines
 - Financial Institutions
 - Management Liability
 - Professional Indemnity
- Property
- Transaction Risk

We offer significant capacity as lead or follow market, across all of our products. We offer stable and competitive terms throughout the market cycle and pride ourselves on superior service, both in responding to underwriting submissions and in paying valid claims promptly.

We are committed to the markets we serve and to forging valued long-term business partnerships.

About Sompo International

The Sompo International companies are wholly owned subsidiaries of Sompo Holdings, Inc. (Sompo), whose core business encompasses one of the largest property and casualty insurance groups in the Japanese domestic market. Sompo International is a global specialty provider of property and casualty insurance and reinsurance. Sompo International underwrites agriculture, professional lines, property, marine and energy, and casualty and other specialty lines of insurance and catastrophe, property, casualty, professional lines and specialty lines of reinsurance.

Our Financial Strength

Sompo International's operating subsidiaries have balance sheets comprising high quality assets and excellent liquidity. We maintain ratings of A+ (Superior) from A.M. Best (XV size category) and A+ (Strong) from Standard & Poor's. In addition, we are backed by the financial strength of Sompo Holdings, Inc., which holds more than \$100 billion in total assets.

Our Lloyd's Syndicate

Syndicate 5151 underwrites exposures across a diverse range of industries utilising Lloyd's network of licenses in the provision of multi-national policies bespoke to individual client requirements. Working closely with our Lloyd's brokers and their network of producing agents, our approach is to build long-term lasting relationships with our clients. Endurance at Lloyd's is the managing agent of Syndicate 5151. As an extension of our London-based Lloyd's platform Syndicate 5151, we have access to Lloyd's Brussels via LBS 5385, which is our platform to write European Economic Area syndicate risk post-Brexit.
