Summer Newsletter 2016

Welcome to the summer edition of our Newsletter. We are looking forward to some warm sunny days, as we will be arranging events and activities throughout the summer months!

Dates are to be confirmed, but please keep a note of the following events in your diary:

- We are planning a day at the races! As the weather can be a little unpredictable, please provide some head wear for your loved ones to keep them warm. We will be having bubbly and a little flutter on the horses, so look out for more details in Reception. Provisionally we are looking at the end of July / beginning of August.
- Our annual garden party will be held in August with entertainment and refreshments in the garden. There is always a good turnout, so we look forward to seeing you there.

Recently we celebrated the Queens 90th birthday with an indoor street party, as the weather was not too kind to us. Now in June and July the residents and staff will be cheering on the lads during Euro 2016…Come on England!!

We have arranged regular visits from the ice cream van as a special treat for our residents during the Summer months, and we are also hosting a clothing party soon (please keep an eye out for posters around the home)…so as you can tell there is quite a lot on to keep residents active and entertained over the coming months!

In the next few weeks there will be updated admission agreements for you to read and sign. There are a few slight changes that you need to be aware of, so please ask a member of the team for your copy. We would appreciate if you can return a signed copy back to Mandy or Becky at your earliest convenience.

On a separate note, with holiday season fast approaching, can you kindly inform staff if you are away and provide us with alternative contact details. We try not to contact families whilst on holiday, however we do need contact numbers in case of an emergency.

Last but not least, thank you for your support to us all here at The Lodge. We hope it will continue throughout the year.

Best wishes from all of The Team
