VAT: All prices shown are exclusive of VAT but flyers are usually zero rated for VAT so the price above is the price you pay. However, the VAT regulations state that VAT must be added if the flyer is wholly or partially any of the following: • a Ticket • a Voucher • a Form • an Invitation • something intended to be kept long-term, e.g. reference material. This will therefore add VAT at 20% to the above prices. If you are unsure as to whether or not your flyer is liable for VAT, please send us a copy of the final artwork for evaluation. For colour on one side with black only on the reverse, add the single sided prices together. Prices shown are for printing from the customer's own artwork in a suitable format.
