DINING ROOM

With an ever evolving menu focused on regional Italian cuisine and celebrating seasonal flavours, the intimate and elegant Dining Room is the beating heart of Icebergs Dining Room and Bar.

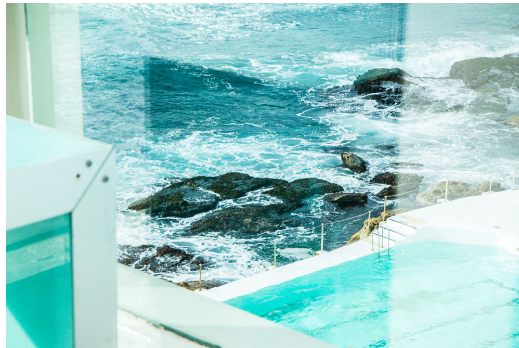

Arranged to take in the famous view of Bondi, by day or night, it makes an unforgettable backdrop to a menu inspired by Maurice Terzini's Italian heritage, accented by the nose to tail sensibilities with the skill of head chef Monty Koludrovic.

MENUS

CANAPE MENU

For cocktail events we have a canape menu available.

FEASTING MENU

For groups of 10 and above we have a selection of set feasting menus available. A feasting menu is Maurice Terzini's preferred style of eating for groups, where all the dishes are shared. Being a true Italian tradition we suggest this dining experience to create a special, intimate meal with your guests that offers a brilliant selection of what our dining room and team of chefs have to offer.

BEVERAGES

All beverages are charged on consumption. We can customise and preselect the beverages we will be serving on the day. Our sommelier is available to give recommendations on wine selections and our bar manager is also available for advice at your request.

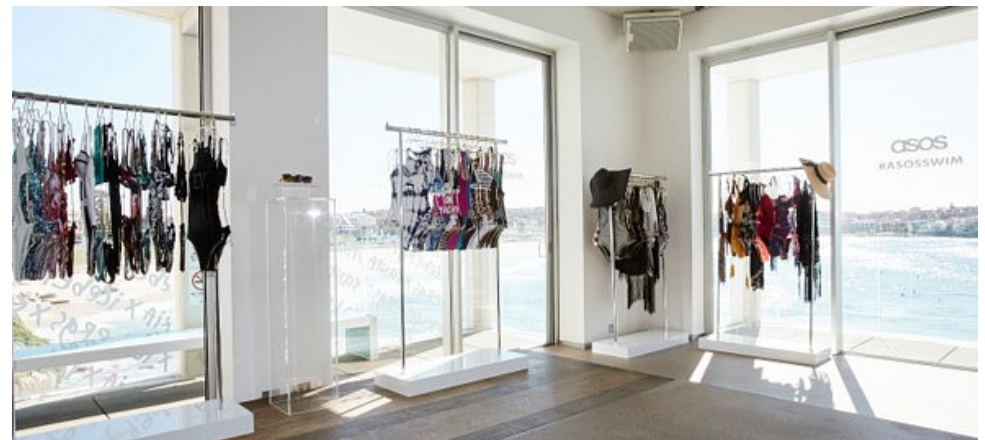

PRESS CONFERENCE & PHOTO SHOOTS

Icebergs Dining Room and Bar is the perfect back drop for press conferences, product & fashion launches and photo shoots.
