

HUME SWEET HUME

Designer Knitwear from Westray

LOOK BOOK 2016

About us...

From our workshop located on Westray, one of the most northerly of the Orkney Islands, sisters Lizza and Jenna Hume create a range of knitted garments and textiles.

Taking inspiration from the colours and textures of their surrounding environment, they use natural colours and luxury yarns to create products which, whilst reflective of their island, are equally at home anywhere in the world.
