MAWBY

MICHIGAN'S SPARKLING WINE

F I Z Z C L U B

May, 2015

Spring has sprung and summer is just ahead, with these four wines to usher it in and celebrate each day of the season.

We have for you a new wine, **Tradition**, our L.Mawby Brut blend of 80% pinot noir and 20% chardonnay, a classic blend based on the epic 2013 harvest.

This selection marks the return of two favorites: Domaine Leelanau **Leland** Brut Rose, and M.Lawrence **Freestyle** Batch B.

Leland - our summer rose, to be enjoyed each evening at sunset - will be available in our tasting room and webstore for an unknown amount of time, until an undisclosed quantity of the wine is sold. [Secrecy is so fun.]

Freestyle Batch B is vibrantly fruity with 2% RS, and will be available in the same places, for the same - or similar - time, until the last of the batch is sold. [And you thought we knew what was going on here? Nada]

And the fourth wine in the selection, **green**, a blend of cayuga and riesling wines, is still not really green - it's a white wine - but it is a refreshing, moreish bubbly perfect for summer or spring or fall or winter.

From your friends at MAWBY - Be One With the Froth; and visit us when you can. On Saturdays enjoy a glass of wine and a bite to eat in our **TentBar**.
