

How to reset your password - Green Tornado

Last Updated

September 7, 2022

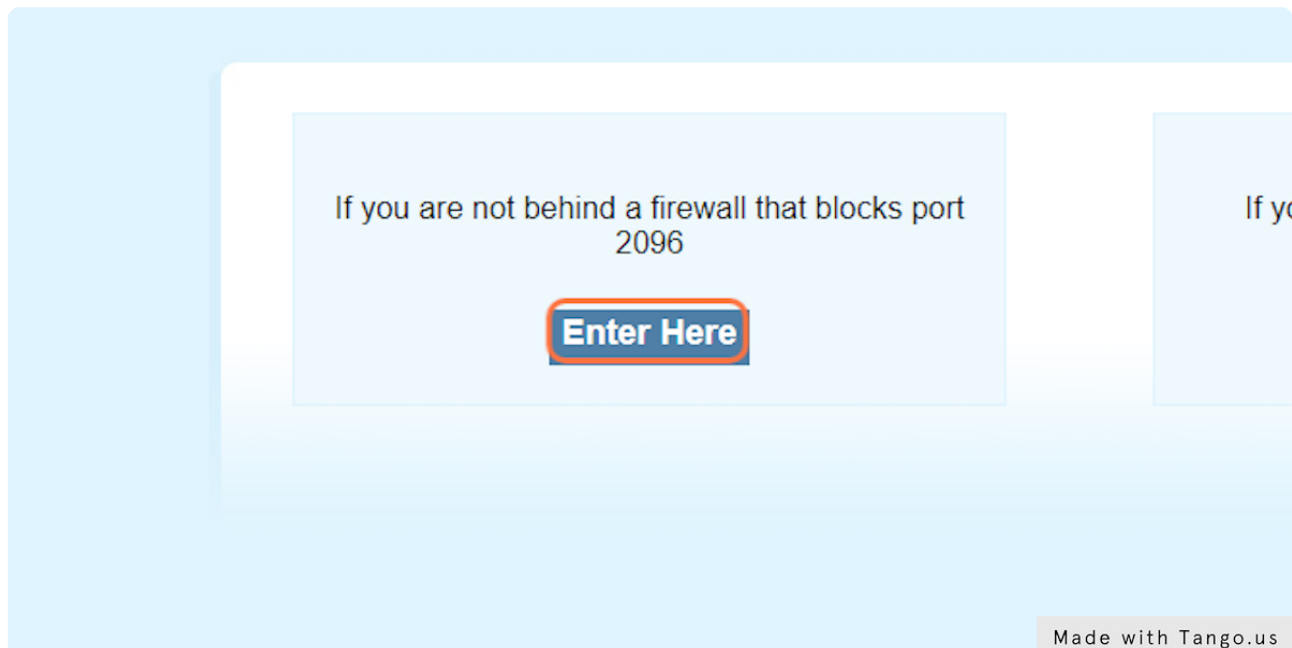

STEP 1

**Go to Webmail Login - Your website followed by /
webmail**

For example www.weddinghairessex.co.uk/webmail

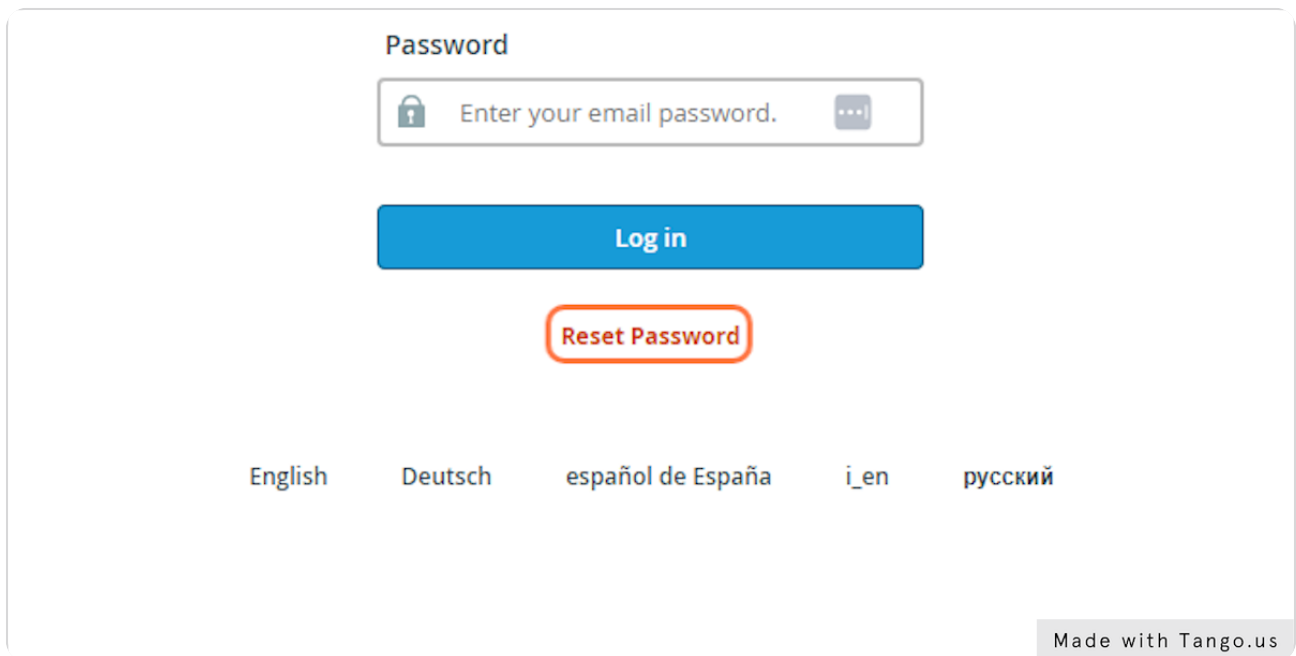

STEP 2

Click on Enter Here- block on the left

STEP 3

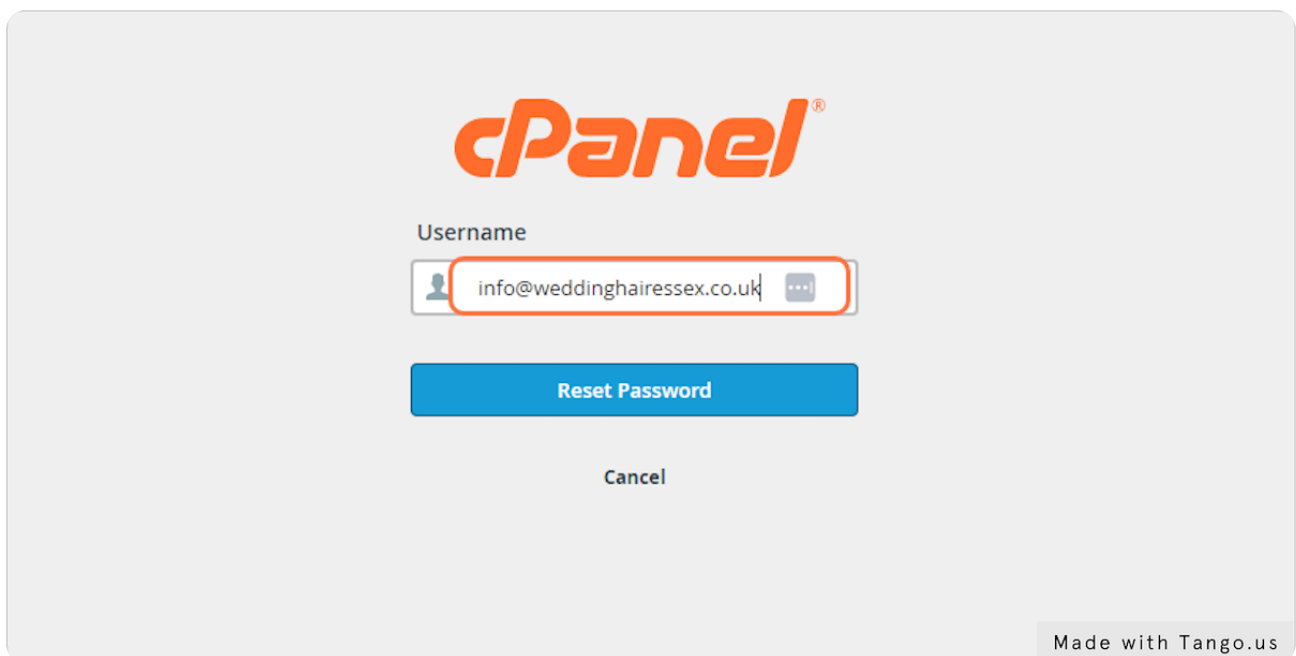

Click on Reset Password

A screenshot of a web form for password management. At the top, the word "Password" is displayed. Below it is a text input field with a lock icon on the left and a "Show/Hide" icon on the right, containing the placeholder text "Enter your email password.". Underneath the input field is a blue button labeled "Log in". Below the "Log in" button is a red-outlined button labeled "Reset Password". At the bottom of the form, there are five language options: "English", "Deutsch", "español de España", "i_en", and "русский". In the bottom right corner, there is a small grey box with the text "Made with Tango.us".

STEP 4

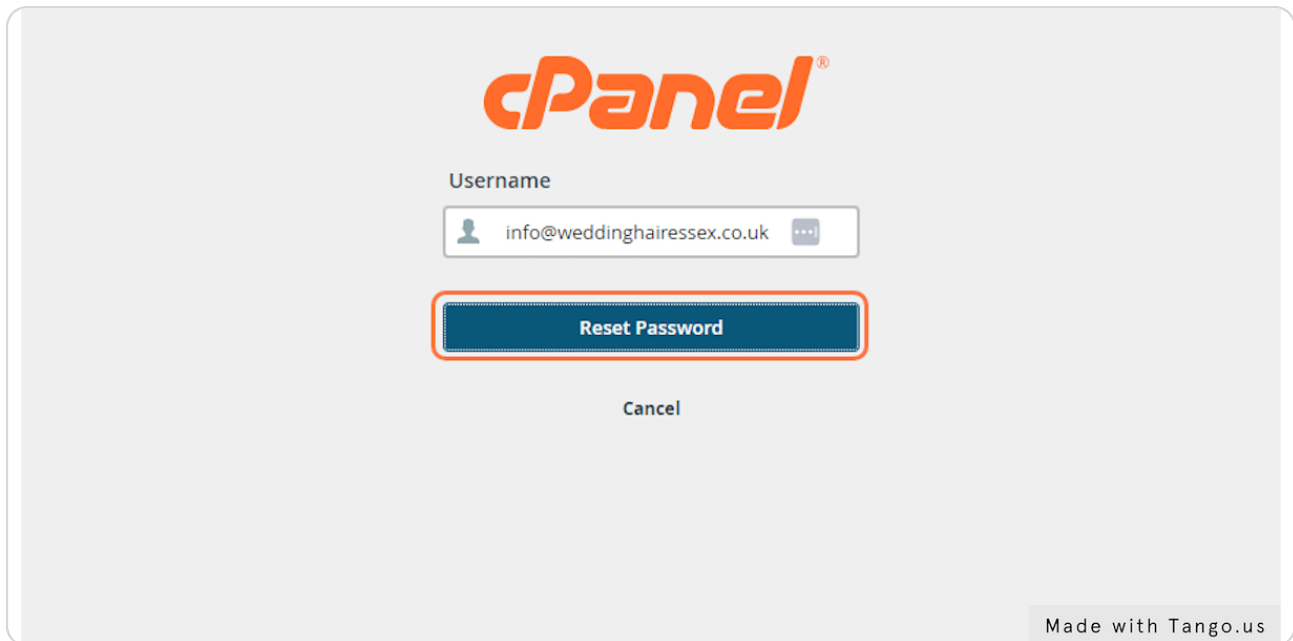

Type the email address you want to change

A screenshot of a cPanel "Reset Password" dialog box. At the top center is the cPanel logo in orange. Below the logo is the label "Username". Underneath is a text input field with a person icon on the left and a "Show/Hide" icon on the right, containing the email address "info@weddinghairessex.co.uk". Below the input field is a blue button labeled "Reset Password". At the bottom center of the dialog is a "Cancel" link. In the bottom right corner, there is a small grey box with the text "Made with Tango.us".

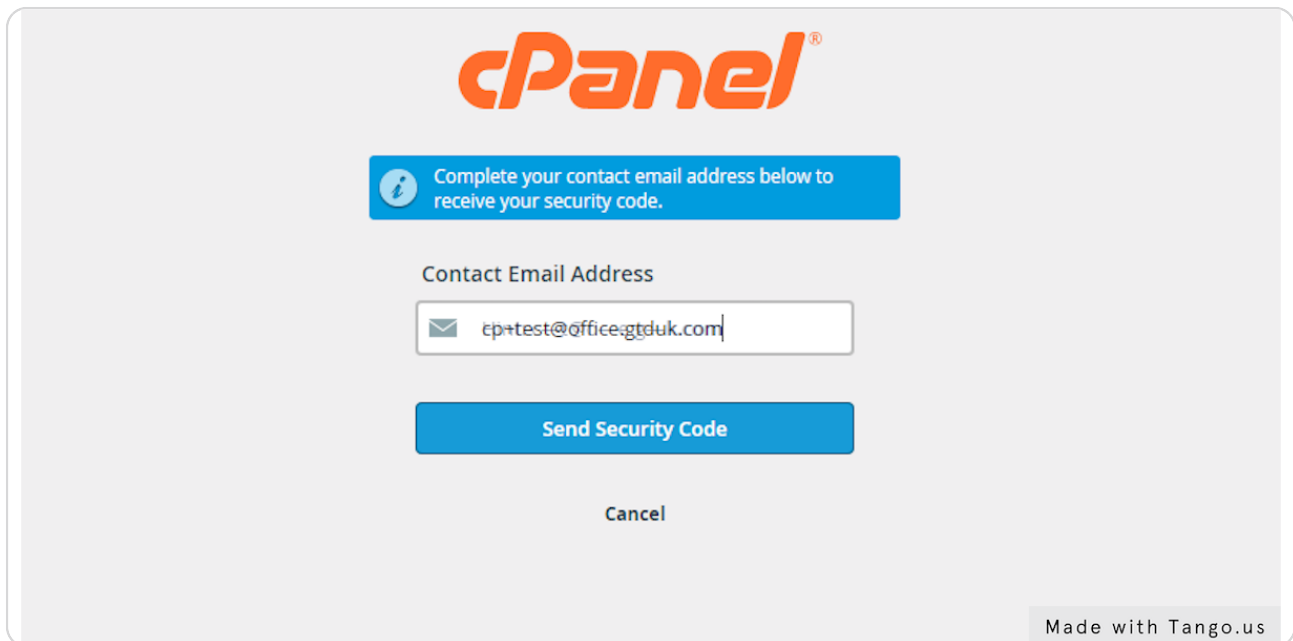

STEP 5
