

Governor Vacancies

Holy Family Catholic MAC

The Board of Directors are seeking school Governors

Holy Family Catholic MAC is a recently formed Catholic Academy group of schools, based across Warwickshire and Worcestershire. Established in April 2017 the Multi Academy Company (MAC) currently has oversight for 5 Primary and 1 Secondary school including Sixth Form provision. We feel our results are worth supporting and protecting for the benefit of current and future pupils.

The Board are looking to expand the skills within local school governance with a view to supporting school improvement and maximising pupils outcomes. A number of challenges lie ahead with constraints on funding and rising costs, consistent with well publicised challenges in education at present.

Individuals with experience and interests in scrutinising data and supporting change would be particularly welcomed by the Board. However a willingness to contribute and get involved are equally valued.

These roles are volunteer posts and candidates should be aware that commitment to attend meetings in the evenings would be necessary.

Terms of office are usually 4 years

When:	From January 2019
Where:	St Benedict's Catholic High School, Alcester
Other:	Practicing Catholics are encouraged to apply for Foundation Governor posts
