Signs, Vehicles & Display Graphics

25 years of quality and satisfaction.
If you want it, we can make it.

Internal Signs

We can manufacture signage in various systems, using many materials including acrylic, aluminium, ACM and more. The signage text can be easily and cost-effectively updated, using printed or cut vinyl graphics.

External Signs

team@lettersandlogos.co.uk

Roll Up Banners

Window Graphics

For all applications, long-term or short-term. Graphics can be mounted on a huge range of substrates or supplied cut and ready to apply.

Fitting instructions and advice is always available.

Vehicle Graphics

Branding one van or a fleet of vehicles? No problem! We can produce printed and cut vinyl liveries for vans, lorries, cars, boats, and planes! We use high quality vinyls warranted against shrinkage and fading. Van wraps and magnetic panels are also available.

Interior Decoration

Exhibition Stands

Printed to self adhesive vinyl and mounted to foamboard, aluminium faced panel and rollpanel (which can be rolled into a tube). Exhibition Stands are a complete package for any occasion.

Fascia Signs

Banners

We manufacture in aluminium, stainless steel, aluminium composite panel, foam board, vinyl, with profile cut, moulded or built up letters to suit any design.

Advertise your business/event cost effectively with our A-Boards and Banners, great for any permanent or temporary display.

We can erect signs on shop fronts, offices, factories, building sites. Virtually anywhere!

A-Boards

Salisbury

To find us from the A31:

Exit at Ringwood (B3347)

Take the south exit on the roabout leading down the B3347 (Christchurch Road).

Continue on the B3347 until you reach The Texaco petrol station and turn left on to Moortown Lane.

Go to the junction of Crow Lane and take a left, we are on the immediate left.
