

SOLUTIONS BUILT FOR YOU.

## 1611 LIGHTWEIGHT SUPER JET

### A JET TO GET YOU THERE.

You're in this business to succeed, and that means moving product as quickly, safely and profitably as possible. For us, success means providing you a tailored solution to do exactly that. That's why we created and continue to refine the Super Jet—the industry's leading strut-frame pneumatic dry bulk transport. Heil Trailer's design and engineering team has focused to provide a design that is ergonomic and easy to use, making the Super Jet the only trailer for the speed of your business.

# 1611 LIGHTWEIGHT SUPER JET

Heil Trailers are the standard by which all others are judged. Our engineering is uniquely qualified to create real-world solutions to drive your business forward with functional design, ease of use, high efficiency and legendary durability and support.

Delivering excellence is hard—doing it for more than 100 years is our contract—what generations of loyal customers have come to expect.

**THIS IS WHAT IT MEANS TO BE SOLUTIONS-DRIVEN.**

## VESSEL

- Patented clean-bore design that is lightweight with no product traps
- Class III interior finish
- No external rings with a boat-tail taper for increased aerodynamics

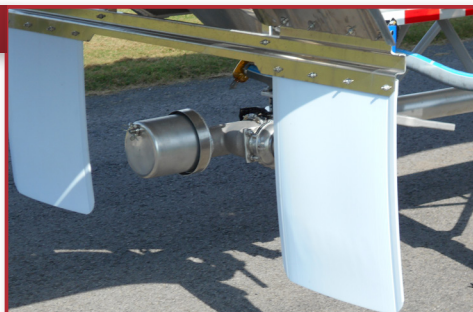

## STANDARD FEATURES

- Standard with polished exterior
- Food grade valves and tees
- Lightweight aluminum end frames
- 15 PSI operation pressure, tested to 22.5 PSI
- Hendrickson AAT raised center suspension with premium HXL-7 seven year wheel end warranty

## SAFETY

- Ergonomic layout of controls
- Cam on quick couplings for easy dis-assembly and cleaning
- Open design allows operators to easily keep a check on equipment and identify problems before they become an issue
- Should a problem ever arise maintenance personnel can easily access all components reducing costly down time

## WARRANTY AND CUSTOMER SERVICE

- Standard 4-year "Silver" warranty included
- Additional 5-year "Gold" and 7-year "Platinum" warranties available
- Online warranty registration, claim submission & pre-trip inspection forms
