CALL FOR BIDS

IWAS UNDER 23 WORLD GAMES & IWAS WORLD GAMES

Dear IWAS Member Nations and other interested parties,

With the unique position of IWAS as 'the only organisation that provides a full international competitions programme at entry, development and qualifying levels in support of the IPC and the Paralympic movement', we are now seeking bids for the next cycle of Games.

We are seeking bids to host IWAS Under 23 World Games and IWAS World Games (Under 23, Open & Masters) for the period of 2017 to 2022.

We would like to encourage IWAS members to consider these hosting opportunities and also to extend the invitation for bids to cities or organisations in your country that may be interested in hosting an IWAS Games. Your support and involvement is critical to IWAS in this regard.

Any potential organising committee should notify IWAS of their interest by completing the 'Response Form' attached by the deadline dates detailed on the form. Once we receive these, we will be in touch with information on the next step in the bid process.

IWAS is confident that our membership will take on the opportunity to bid for these prestigious sporting events.

If you have any questions, please do not hesitate to contact me.

Kind Regards,

Charmaine Hooper
CEO
