Established in 1971 by the current Chairman & Managing Director Barrie Taylor FCA, Express Parcel Services (EPS) Group of Companies is still family owned and run, sons Alistair Taylor, Jamie Taylor and Adam Taylor are also Directors.

Offering a wide range of flexible Storage, Warehousing & Distribution serviced through our fleet of over 150 vehicles and trailers ranging from 3500kg vans to 44 ton tractor units. As well as our Head Office in Middleton (Greater Manchester) we also have sites at Cannock (West Midlands), Chadderton (Greater Manchester), Larkhall (Lanarkshire), Sherburn-in-Elmet (North Yorkshire) and Wrexham (North Wales).

From modest beginnings EPS flourished creating an enviable reputation for the quality and flexibility of its services, good news travels fast and regular growth was established year on year. EPS is now fortunate to count many blue chip companies amongst its client base.

EPS are proud shareholder members of the UK's fastest growing overnight palletised freight network Pallet-Track Ltd, offering Next day and Economy Pallet Distribution with additional services such as time specific AM book in and tail-lift.

As shareholder members of the Pallet-Track network, we have utilised the benefits of the Networks market leading I.T with full track and trace from collection of your goods, through to delivery providing real time delivery information. Our data capture system records delivery details and allows electronic signatures to be taken at point of delivery, providing our customers with a comprehensive logistics solution for larger and smaller consignments.

The Pallet-Track service portfolio is extensive and highly competitive, offering our customers a choice of service options. With greater demands being placed on independent road haulage operators to provide quality services at home and abroad for their customers, Pallet-Track can provide a flexible link to cater for every delivery requirement.

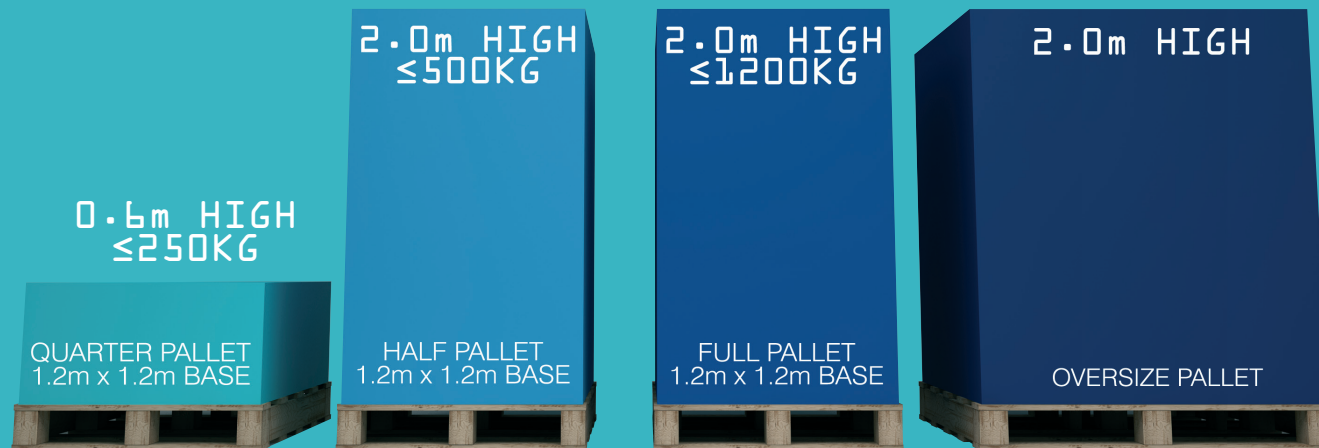

From our modern and impressive Titan Distribution Centre, Pallet-Track members are able to offer an unparalleled level of service. Through investment in people, information technology, and state-of-the-art materials handling, our network enjoys a fully structured service that is second to none in our industry.

Our operation is equipped to cater to our rapidly increasing volumes of palletised freight, all of which is electronically scanned and tracked.

online & tracking

Part of our network success is the continual investment in cutting-edge technology, and both our online tracking system and proof-of-delivery solution keep us one step ahead of our competitors.

We can provide total transparency throughout the system, with full track and trace from collection through to delivery. The whole process provides our customers with complete confidence, knowing their shipment is being tracked and monitored every step of the way.

Our data capture system records delivery details and allows electronic signatures to be taken at the point of delivery.

The online portal gives users the ability to enter consignments directly into our depot system and access real-time delivery information.
