## NOTICE TO STUDENTS

### Beginning Summer 2020:

The Schedule of Classes for the Woodland Campus will no longer be printed. However, for the more remote campuses in Colusa and Lake Counties, schedules will continue to be printed.

WCC wants do our part in preserving our planet, while maximizing technology!

# FINAL EXAM SCHEDULE

## SPRING 2020

Final Exam Dates are May 12-18, 2020

The Final Exam Schedule dates and times are to be determined.

It will be posted to our website soon at [www.wcc.yccd.edu](http://www.wcc.yccd.edu).

## Use Your Student E-mail

Because:

Yuba Community College District will use your campus e-mail as a means to communicate with students.

You can create documents using Microsoft Word, Excel, PowerPoint and OneNote through your e-mail service.

Store up to 1 terabyte of data on OneDrive. Create personal and shared Photo Albums.

## OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including "impacted" allied health programs (Rad Tech, ADN, Psych Tech);
- Courses closed by maximum enrollment of students by the "priority registration" policy;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced coursework previously taken by the student (exceptions require counselor evaluation and Dean approval).

## ATTEND THE FIRST DAY OF CLASS

Information and expectations presented in the first class meeting are critical to successfully participate in each class. If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day may be dropped.

**DO NOT ASSUME THAT THE INSTRUCTOR WILL AUTOMATICALLY DROP YOU.**

*Students are responsible for dropping themselves to qualify for*

## Dual Enrollment

### Partnerships with Area High Schools

Woodland Community College continues to offer dual enrollment partnerships with Esparto High School, Lower Lake High School, Middletown High School, Pierce High School, Maxwell High School and Williams Junior and Senior High School. According to The Research and Planning Group of California Community Colleges (The RP Group), dual enrollment is "an opportunity to complete college-level coursework to earn college credits while they are pursuing their high school diploma." Some of the benefits cited by The RP Group include:

- effective method to help students complete high school and begin college.
- effective transition to college-level work.
- chance to address skills gaps, build study skills, and increase overall academic preparation.
- chance to explore careers and college majors.
- classes to be held during high school hours on high school campuses.

**Note:** Enrollment fees for high school students who have parental and principal approval and are enrolling in fewer than 11 units may be waived.

## GRADUATION ~ DEADLINE FOR GRADUATION PETITIONS IS APRIL 15, 2020

Students planning to graduate from Woodland Community College must complete and submit a graduation petition to Admission and Records by April 15, 2020.

Any questions pertaining to the completion of the Graduation Application may be directed to a counselor.

## ATTEND THE FIRST DAY OF CLASS

Information and expectations presented in the first class meeting are critical to successfully participate in each class. If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day may be dropped.

### DO NOT ASSUME THAT THE INSTRUCTOR WILL AUTOMATICALLY DROP YOU.

*Students are responsible for dropping themselves to qualify for*

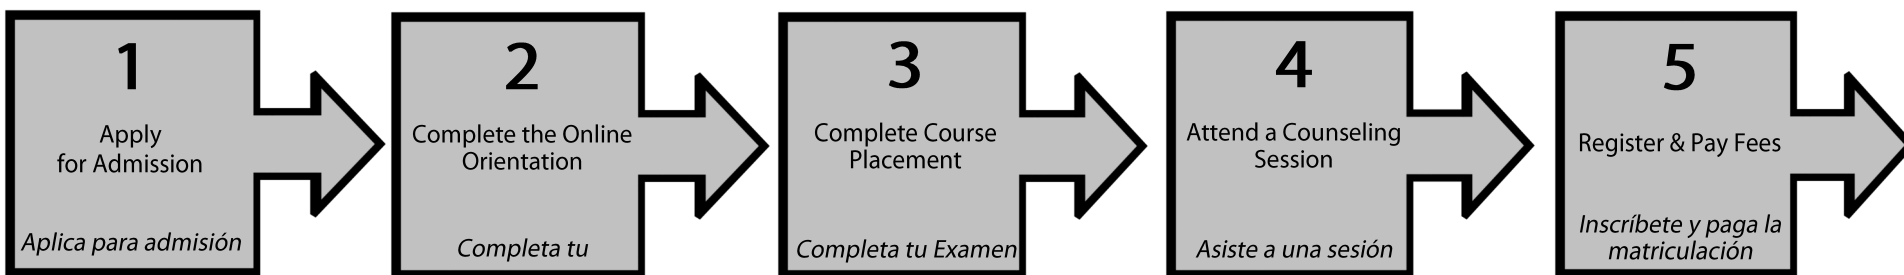

The WCC Catalog is your reference document for detailed degree, course or college information.

Please visit [wcc.yccd.edu/academics/catalog](http://wcc.yccd.edu/academics/catalog) to view or download the WCC Catalog.

# REGISTRATION & ENROLLMENT INFORMATION

## Steps to Enrolling - Pasos Para Inscribirse

## WCC Enrollment Process (Matriculation) - Información sobre Matriculación o Inscripción

Matriculation is a process that enhances student access to the California Community Colleges and promotes and sustains the efforts of credit students to be successful in their educational endeavors. The goals of matriculation are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of the student-direct components of the matriculation process: admissions, orientation, course placement, counseling, and student follow-up. Here are the steps to follow to become a new student at Woodland Community College.

### STEP 1: Apply for Admission

If you have not yet applied for admission to Woodland Community College, please **Apply Now!** complete the California Community College application (CCCApply) online and submit before continuing to Orientation. After submitting your application for admission, you will receive an email message with the important steps to follow to become a WCC student. A WebAdvisor account will be activated within 20-30 minutes after you complete your application for admission. This account will allow you to complete the Online Orientation.

### STEP 2: Complete the Online Orientation

Before taking the online orientation, you will need to look up your WebAdvisor User ID. Your WebAdvisor User ID is the first initial of your last name (capitalized) followed by your 7 digit student ID number (i.e. L0123456). If you do not know your 7 digit student ID number, you can retrieve your [WebAdvisor User ID here](#) by clicking on the "Login and Password Info" link upper right hand corner of the WebAdvisor homepage. NOTE: If you did not provide a social security number in your OpenCCC application, you will need to visit the Admissions & Records office to receive your student ID number.

Once you have your WebAdvisor User ID, [access the online orientation here](#), and enter your WebAdvisor User ID and password. If you are new to YCCD and have NEVER logged into any of our YCCD systems, your **default** password schema is: First letter of your First name (UPPERCASE), First letter of your legal last name (lowercase), Last 4 digits of your Social Security Number (if no SSN, then use last 4 digits of Student ID #), 2 digit designation of your birth month (e.g., April=04) (i.e., Wc123404). For more help, visit: <http://help.yccd.edu/article/portalguard/>

### STEP 3: Complete College Placement

After completion of the online orientation quiz, you should meet with a WCC Counselor to determine placement.

Your high school transcript/grades, and/or the placement by a counselor, will enable you and your WCC counselor to choose the right courses for your first semester at WCC.

### STEP 4: Attend a Counseling Session

After completing the online orientation quiz, you will need to meet with a Counselor. It is recommended that you bring your high school transcript (if available) or transcript information when you meet with a counselor. With the help of the counselor, you will select courses in which you will enroll during your first semester at WCC. Be sure to attend your counseling session in order to be cleared for registration. Call the Counseling Office to schedule an appointment: WCC (530) 661-5703; CCC (530) 668-2500; LCC (707) 995-7900.

### STEP 5: Register & Pay Fees

On or after your Priority Registration Date, register and pay your fees online through WebAdvisor. Be sure to observe the TEN DAYS TO PAY rule to avoid being dropped from your courses for nonpayment. If you believe you are eligible for Financial Aid and/or the California College Promise Grant (formerly Board of Governors enrollment fee waiver), apply through the Financial Aid office before registering.

**NOTE:** Be sure to attend the first meeting of each of your classes, and best wishes as you begin your studies at Woodland Community College.

### Matriculation Exemption:

Certain students, because of their educational background and plans for study, are exempted from Matriculation requirements. If two or more of the following criteria apply to you, please email [WCCAdmissionsInfo@yccd.edu](mailto:WCCAdmissionsInfo@yccd.edu) stating your full name as entered on your application for admission and your Student ID number, along with the numbers of the **two or more** exemption criteria that apply to you:

1. Have completed an associate or higher degree (verification required – provide a copy of the degree or transcripts)
2. Will be enrolling in performance classes only (e.g. music, drama, physical education activity classes)
3. Enrolling in fewer than six units
4. Not planning to earn a degree or certificate
5. Enrolling in job-skill upgrade, self-improvement or general interest courses
6. Enrolling in classes for which you have previous training, i.e., firefighter taking an E.M.T. class
7. You are planning on enrolling in the Fire Academy
8. Still attending high school and attempting to enroll in a college course(s) through the Dual Enrollment program

### CURRENT HIGH SCHOOL STUDENTS:

The Yuba Community College District may accept as a Part-time student, eligible high school students who have completed the eighth grade.

#### See your High School Counselor for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Students must meet with their high school counselor in addition to college counselor for enrollment guidance.
3. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.). The course placement with a counselor can be taken to demonstrate level. PICTURE I.D. IS REQUIRED.
4. Students should enroll in college level courses (courses numbered 1-99). No Physical Education courses allowed.
5. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
6. **Register starting December 9, 2019 in person.**

According to AP 5020 and AP 5030 high school student's enrollment and health fees are waived. Exception: High school students in a full-time status are required to pay both enrollment and health fees. (NOTE: Dual enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

High School Students must also follow the enrollment steps above. They also **must** obtain the High School Recommendation Form from their high school counselor and collect the necessary signatures. This must be done prior to registering.

Colleges

### ASSEMBLY BILL 705 & PLACEMENT

As one of the mandates of Assembly Bill (AB 705) passed in Fall of 2017, Woodland Community College is changing the way that students are placed in their English and Math classes!

All students are placed based on their high school GPA and coursework. Students who did not complete at least 10<sup>th</sup> grade in a U.S. high school, graduates of a non-U.S. high school or international students, will need to complete the Guided Self-Placement process.

The Guided Self-Placement began in **Summer 2019**.

If you speak a language other than English and feel you would benefit from taking classes in our English for Multilingual Students, please schedule an appointment to see a Counselor at 530-661-5703.

# FINANCIAL AID INFORMATION

## Financial Aid Information - Información sobre Ayuda Financiera

### STEP 1: Get a FSA ID

The Department of Education FSAID serves as the electronic signature on the FAFSA and other federal aid documents for students and parents. <http://www.fsaid.ed.gov>.

### STEP 2: Gather your Information

You will need personal information such as your Social Security Number (SSN), driver's license number, your Alien Registration Number (if you are not a U.S. citizen), and Federal tax information or tax returns (including W-2 information) to complete your FAFSA. Dependent students will also need this information for their parents.

### STEP 3: Submit your Application

Woodland Community College Federal School Code is: **041438**. Complete your FREE Application for Federal Student Aid (FAFSA), or California DREAM Act Application, if cannot submit the FAFSA

#### HELPFUL HINTS:

- **Save often:** Save your application frequently. If you lose your internet connection, you'll have a copy of the data you've already entered.
- **Get Help:** Click on the 'Help' button or stop by your Financial Aid Office.
- **Sign and Submit:** Sign and submit your application. If you are a dependent student, your parents will also need to sign your application. Once you sign and submit your application, you will receive a confirmation number.

### STEP 4: Receive your Student Aid Report

Once your application is processed you will receive a Student Aid Report. The college will also receive a copy of your report electronically. The college will begin processing your report and send you an email with additional information, as needed. Please update any information and provide verification once the college has requested documents.

### STEP 5: Receive your Award Notification

You will receive email notification of your award letter availability from the Financial Aid Office. Your WebAdvisor account will have the most current award information. You can print your award letter from your WebAdvisor account.

### STEP 6: Receive your Disbursement of Funds

Financial aid funds are disbursed according to the payment schedule posted on the colleges website. Payments begin on a weekly basis, starting the first week of the semester. You must be enrolled, have an award, and a complete financial aid file before payment can be made. You must be making satisfactory academic progress to continue receiving financial aid. If you drop your classes you may need to repay funds. Disbursement of funds may be held for several reasons, such as disenrollment, insufficient number of units, academic progress, holds, or missing information.

#### What else is needed?

Check out the Financial Aid Guide posted on the website for additional information. Complete all the units you are enrolled in, with a 2.00 GPA or higher. Keep your mailing address and phone number current. Contact the Financial Aid Office if you have any questions. **Be sure to frequently check your YCCD email.**

#### Satisfactory Academic Progress (SAP)

Federal regulations require all students who receive federal financial aid maintain SAP in their course of study, regardless of whether they have ever applied for or received financial aid. Yuba Community College District, through the Financial Aid Office, monitors that progress using Quantitative, Qualitative, and Maximum Time Frame criteria.

All standards are checked at the end of each semester during the academic year for all the periods a student is enrolled.

**Quantitative:** A student is required to successfully complete at least 70% of all attempted units each semester and cumulative to ensure an acceptable pace of progression toward completion of their selected academic program within a maximum time frame.

**Qualitative:** A student is required to maintain a Grade Point Average of at least 2.0 for each semester enrolled in and cumulative.

**Maximum Time Frame:** Time frame is used to determine the maximum number of units for which a student may receive financial aid for their academic program.. Remedial, transfer and ESL credits are included in the calculation of maximum time frame.

- Associate Degree: maximum allowed is 90 units
- Transfer: maximum allowed is 90 units
- Certificate: maximum allowed is 45 units

Failure to meet SAP standards will place a student in warning or terminated status. Students should read the complete SAP policy contained in the Financial Aid Guide available at [wcc.yccd.edu](http://wcc.yccd.edu).

If a student drops classes before the next disbursement of their financial aid, their second disbursement will be adjusted to reflect their new enrollment status.

If a student drops or withdraws from all of their classes prior to completing 60% of the term, it will affect their eligibility for financial aid and could result in the student having to repay all or a portion of the financial aid received.

Students are notified of their SAP status via their student YCCD email. It is important students activate their student email account and check their email frequently.

## TYPES OF FINANCIAL AID

There are several types of financial aid available to students, including grants, work-study, and scholarships. Financial aid awards are based on program eligibility, financial need and the amount of funds available. For additional information, visit the Financial Aid website at [wcc.yccd.edu](http://wcc.yccd.edu) or stop by the Financial Aid Office located in the 700 Building.

## Federal Student Aid Programs

**Pell Grant:** This grant is awarded to students with financial need based on the student's Expected Family Contribution (EFC). A student's EFC may be found on the Student Aid Report (SAR) that is received after FAFSA completion (*See Step 2 in the column on the left of this page*). The award varies based on the number of units a student is enrolled in each semester. The student must be enrolled in approved courses. A student may not receive Pell grant funds from more than one school at a time. The maximum lifetime eligibility is the equivalent of 6 years of school at full-time enrollment, or 600%.

**Federal Work-Study (FWS):** These funds are awarded to students who demonstrate financial need and an interest in FWS on the FAFSA. FWS provides part-time employment on campus. Funds are limited and awarded on a first-come, first-serve basis. Must be enrolled in at least 6 units.

**Federal Supplemental Educational Opportunity Grant (FSEOG):** These funds are limited and awarded to students who are enrolled in at least 6 units with exceptional financial need as determined by the Financial Aid Office.

**Federal Direct Loans:** Direct subsidized and unsubsidized loans are federal student loans for eligible students to help cover the cost of higher education. The U.S. Department of Education offers eligible students at participating schools Direct Subsidized Loans and Direct Unsubsidized Loans, sometimes referred to as Stafford or Direct Stafford Loans. Student loans are a long-term obligation and are offered with specific payment terms. Students interested in applying for loans should contact the FA Office of their campus for specific eligibility criteria, application materials, and required documents.

## California Student Aid Programs

**California College Promise Grant (CCPG):** The CCPG Fee Waiver waives enrollment fees (tuition) for students who meet the eligibility requirements. California residents and eligible AB 540 students may apply. Residency and AB 540 eligibility is determined by Admissions and Records.

**Woodland CC Promise:** Starting in fall 2018, the Woodland Community College Promise will pay tuition for first-time, full-time Woodland Community College students who are California residents of AB540 eligible and completed a Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (CADAA). WCC Promise is not based on financial need, and covers semester tuition up to 15 units. Student fees are paid upon eligibility confirmation; students do not receive direct cash disbursements. Eligible students may retain the Promise award for up to two consecutive academic years. The WCC FA Office will award the Promise to eligible students upon completion of the FAFSA or CADAA.

**Cal Grant:** The California Student Aid Commission (CSAC) administers the Cal Grant program. These funds are awarded to California residents who filed a FAFSA or California DREAM Act Application and Cal Grant GPA Verification form by the March 2nd or September 2nd deadline and demonstrate financial need.

Students must be enrolled in an approved degree or eligible certificate program and be enrolled in at least 6 units per semester. For additional information, visit the CSAC website at [www.csac.ca.gov](http://www.csac.ca.gov).

**Chafee:** The California Chafee Grant is a grant for current or former California foster youth to help pay for college or career and technical training.

To qualify, you must:

- Be a current or former foster youth
- Not have reached your 22nd birthday as of July 1 of the award year
- Have financial need

For additional information visit the Chafee website at [www.chafee.csac.ca.gov](http://www.chafee.csac.ca.gov).

**Student Success Completion Grant (SSCG):** This is a supplemental grant program for full-time, Cal Grant B or C recipients. SSCG encourages students to persist to their education goal by maintaining full time status, and further incentives 15-unit semester enrollment. Students who enroll in, and successfully complete, 15 units per semester will complete their education goal(s) faster, and may be eligible to receive a larger SSCG award amount. Students who are eligible to receive SSCG will be awarded by the WCC FA Office automatically and do not need to complete a separate application.

## Scholarships

A number of scholarships are available through the Yuba Community College District Foundation and other donors. Scholarships are awarded based upon various criteria, including financial need, grade point average, career goals, and extracurricular activities. Scholarship enrollment requirements vary.

The Foundation Scholarship Application is available online at [wcc.yccd.edu/student/financialaid/scholarships](http://wcc.yccd.edu/student/financialaid/scholarships). Other donor sponsored scholarships are posted on the Scholarship Opportunities board located in the Eagle's Perch.

## STUDENT FINANCIAL AID DISBURSEMENTS

**BankMobile:** Woodland Community College, as part of the Yuba Community College District, has changed the way we disburse financial aid funds to our students. Students will be offered two payment options:

- BankMobile Debit Card (Vibe Account), or
- Direct Deposit into your bank account

Students will receive a refund selection kit issued by BankMobile during the first term they register in a class. Look for the kit to be delivered in a green envelope, like this one shown below.

# FEES & REFUNDS

The enrollment fee is subject to change and is established by the State Legislature. If fees are increased by the State Legislature after publication of the schedule, students will be billed for the additional fees. **All fees are due to the college at the time of enrollment.** No future enrollments may take place until all debts are paid. Fees may be paid by cash, check, VISA, MasterCard, Discover, ATM, or fee waiver. **Students can be dropped from their courses if fees are not paid within 10 days from time of enrollment** (see 10 Days to Pay Policy).

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$46 per unit—Fees are set by the State. (If fee is increased, students are billed at the new rate.)	All students, except those eligible for the California College Promise Grant (CCPG) and dual enrolled students
Health Services Fee	\$10 per semester (Non-refundable)	<b>All Students, except:</b> Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization Students enrolled in apprenticeship programs Students admitted as special part-time students (K-12 students)
Non-Resident Tuition	\$265 per unit, in addition to enrollment fee	All non-resident students (from another state). Dual enrolled students are exempt.
International Student Tuition	\$265 per unit, in addition to enrollment fee	All non-resident international students (from another country).
Parking Decals	\$40 fee for a semester pass or \$2.00 per day (CCPG = \$20 per semester) \$20 Summer Session \$15 per semester, motorcycle	All vehicles using campus parking facilities for all events must display appropriate permit or decal.

## EFFECTIVE Fall 2019:

ALL students must pay the Health Services Fee, \*except Dual Enrollment/High School Students.

### American Opportunity (Hope) and/or Lifetime Learning Tax Credits/Taxpayer Relief Act of 1997

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

## REFUNDS:

### Deadline for Short Term Classes:

You **must** drop your class by the end of the **second** class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:

31-40 days – end of 3rd class meeting

41-50 days – end of 4th class meeting

51-60 days – end of 5th class meeting

### Deadline for Full Term Spring Classes: January 24, 2020

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

**A \$10.00 processing fee is charged for refunds.** Students must make a request for a fee refund through the on-line request form in WebAdvisor. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail [cashier@yccd.edu](mailto:cashier@yccd.edu) for the status of your refund.

**RETURN TO TITLE 4 (R2T4).** Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba Community College District, or to the Department of Education, per Federal regulations.

## 10 Days to Pay

Students have 10 days to pay for their classes from the time of registration. Students who have not paid their fees within 10 days may be dropped for non-payment.

To avoid being dropped from your classes take one of the following steps:

- 1.) Pay for your classes in full; OR
- 2.) Complete a California College Promise Grant (CCPG) application with Financial Aid PRIOR to registration; OR
- 3.) Sign up for a payment plan online through WebAdvisor. **Students are responsible for making payment arrangements.** Those who do not make payments may be dropped from one or more classes. Once you have registered you will be able to see your status in WebAdvisor and through NelNet's website: <http://mypaymentplan.com>.
- 4.) **IMPORTANT: Students are responsible for any fees incurred and grades received. It is the student's responsibility to drop classes by the State-mandated refund deadline to avoid fee obligations and they must be aware of all other published deadlines. (Once classes begin, non-attendance or non-payment does not release the student from his/her responsibility and may result in student fee debt and failing grades being awarded).**

Make sure your fees are paid so your classes are secure before the term starts.

**Exception:** Veteran and military affiliated students using Chapter 33 (Post 9/11) Chapter 31 (Vocational Rehab) benefits will not be dropped for nonpayment.

## Loss of California College Promise Grant and Enrollment Priority

### California Community College's Chancellor Office

SB 1456 establishes the Student Success Act of 2012 and requires any college or district receiving funds to provide support services including orientation, assessment, counseling and education planning. Students qualifying for a California College Promise Grant (CCPG) are required to identify, upon enrollment, a degree, certificate, or transfer goal and meet Satisfactory Academic Progress (SAP)

### What Can You Do Now?

- ◆ Enroll in a course-load in which you can be successful
- ◆ Maintain at least a 2.0 GPA each semester
- ◆ Seek appropriate student and academic support services, when needed
- ◆ See a counselor for an up-to-date educational plan

If you are eligible for a CCPG waiver, you are still responsible to pay any other fees (Health Fees, parking, etc.).

#### Loss of Enrollment Priority Effective Now

Students with over 90 degree applicable units completed will lose priority registration

Loss of eligibility will become effective at the first registration opportunity after 90 completed units

An appeal process will be available at Admissions and Records for students who have extenuating circumstances or contact Counseling if close to graduating and/or transferring

#### Loss of California College Promise Grant Effective Now

Student with two consecutive semesters of not meeting academic and/or progress standards will lose their CCPG

Not meeting academic standards means having less than a 2.0 GPA

Not meeting progress standards means completing less than 50% of your coursework

Loss of eligibility will become effective at the first registration opportunity after the loss of eligibility is determined when Spring 2019 standing is updated.

An appeal process will be available at Admissions and Records for students who have extenuating circumstances

## Miscellaneous Registration Information - Información de Registro Diverso

### Adding a Course

Students can add classes through WebAdvisor through the **last day to add** for open classes. If a class is closed or waitlisted, permission of the instructor is required. Students with an ADD FORM signed by the instructor must register in person at the Admissions and Records Office by **January 17, 2020** for full-semester classes.

### Dropping a Course

Students can drop a class through WebAdvisor or at Admissions and Records according to the **deadline dates** on the calendar on the back cover. Be aware of deadlines and meet with a counselor if you are unsure about dropping a course. If you receive Financial Aid, make sure you discuss this with Financial Aid before dropping as it will affect your Financial Aid status. Dropping a course is the **STUDENT'S RESPONSIBILITY**. Never assume that you will be dropped by an instructor.

### Attendance

Attend the first class meeting of each class. If you can't attend, notify your instructor in advance. Without prior notification, you **MAY** be dropped and waitlisted students may be admitted in your place. A student **MUST** be registered in order to attend classes. It is **YOUR** responsibility to drop by the deadline to avoid paying fees or receiving a grade.

### AB 540 and AB 2000 - Non-Resident Tuition Exemption

Non-residents who attended a California high school for three years and graduated from a California high school may apply for the AB 540 or AB 2000 California Non-Resident Tuition Exemption. An official copy of the student's high school transcript must be presented when submitting the California Nonresident Tuition Exemption Form, available at the Admissions and Records Office or from the website at <https://wcc.yccd.edu/admissions/forms>. Non-residents who qualify for this exemption are not required to pay the non-resident tuition fee.

### Non-Resident Tuition

Non-residents are required to pay a tuition fee in addition to the fees paid by California residents. Non-resident active duty military personnel stationed in California, and their dependents, are eligible for a tuition exemption, paying the same fees as California residents. Contact the Admissions and Records Office for more information.

### Pass/No-Pass Grading

Some courses allow students to choose between letter grading (A, B, C, D, F) or Pass/No Pass (P/NP) grading for the course. The choice must be made by the student by submitting a Pass/No Pass form to the Admissions and Records office by **February 13, 2020** for full-term Fall classes. Choosing Pass/No Pass grading may affect degree, certificate, and transfer requirements. Discuss the consequences with a counselor prior to making this selection.

### Wait Lists

If you place yourself on a waitlist, be sure to continuously check the waitlist through WebAdvisor to see if you have been added. When space becomes available, waitlisted students are automatically enrolled in waitlisted classes. However, this automatic process ends when classes begin. After that you must attend the first class meeting to request permission from the instructor to enroll. If the instructor gives you permission to add the course, you must take the signed ADD FORM to the Admissions and Records Office by **January 17, 2020** (for full-term classes) to officially enroll and be permitted to attend the course.

### Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with an "(L)", "(M)", or "(L)(M)" in the course description.

- State of California.
- California residents are those who have maintained legal residency status in California for one year and a day **PRIOR** to the first day of the semester.
- Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year and a day prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The burden of proof rests with the student.
- Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 or AB 2000 Non-Resident tuition. If you qualify, you may be eligible for the California College Promise Grant (CCPG). If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it on-line under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.
