Alternatively call the Simplyhealth team on 0800 169 9958, Monday to Thursday 8.30am – 6pm, Friday 8.30am – 5pm.

Easy to join, save money on vaccination, flea and worm treatment and enjoy many other membership benefits for you and your pet.

Our Pet Health Club is not pet insurance: Pet Health Club includes the regular things – like vaccinations, flea, worm and parasite treatments, health checks and advice in your monthly payment plan – that pet insurance generally doesn't cover. However young or old your pet, a Pet Health Club is designed to adapt to your pet's needs, from puppy or kitten, to adulthood and throughout its senior years.

A Pet Health Club makes it easy for you to protect your pet and your family against preventable diseases and discomfort by making sure your pet's vaccinations, parasite control and general health are all up to date. Regular check-ups and early diagnosis of any potential health issues will help your pet enjoy a long, comfortable life, whilst saving you money and worry too.
