Recent Projects

We are often asked to modify our standard designs to suit individual requirements and we also create special projects to our customers' own designs. Shown below are a few recent projects: Super Pent Roof House as a Kennel in Suffolk, Raised 12 Bird Swiss Chalet House in Surrey, 6 nest Dovecote in Devon and a specially designed Mini Swiss Ark in Somerset.

All Products are Supplied as 'flatpacks' with full assembly instructions and parts kits. We reserve the right to amend specifications at any time. Please note that all goods are supplied as natural timber - any colours are shown for illustration only. All our Products are manufactured to order and we can normally include any extra features or variations to the houses illustrated in this brochure. All items are manufactured from tanalised timber and marine or treated exterior grade plywoods. As wood is a living product we cannot be held responsible for any splitting, warping or discolouration of our products after delivery.
