**ALLERGIES:** We cannot guarantee that any of our foods are free from nuts or nut derivatives or dairy products, if you are suffering from a food allergy or intolerance, please let your server know upon placing the order.

As we work in an environment, which includes these ingredients. We will do our best to isolate these ingredients, please tell the waiter of your special needs. Every care is taken to avoid any cross contamination when processing a specific allergen free order. We do however work in a kitchen that processes allergenic ingredients and does not have a specific allergen free zone or separate dedicated fryers
