ABOUT SUB-ACCOUNTS

Only one collection address is permitted per account. If you are part of a large organisation with multiple sites, you can use our account association system to organise reporting, finance and administration across multiple accounts. The highest authority in your organisation should register the first account - this will be the “master” account, which will organise and manage subsequent accounts. Each subsequent site should be registered via the sub-accounts menu on that account. [Read more...](#)

ABOUT CREDIT SHARING

Credit sharing can be used to share rebates and prepayments collectively across multiple accounts. Finances can be centralised within your account hierarchy by prepaying and sharing credit. Credit sharing can be started either whilst registering sub accounts, or afterwards using the “collection pool” tab of the sub-accounts menu. [Read more...](#)

1 Click the option “WASTE TRANSFER NOTE”

2 Select the year, tick the box of being an authorised person and click “SUBMIT”

The form is titled "WASTE TRANSFER NOTE" and asks the user to "Select your Annual Waste Transfer Note for proof of legislation compliance and Audit purposes." It includes a "Select year" dropdown menu with "2016" selected. Below the dropdown is a checked checkbox with the text "Tick this box to confirm that you are the authorised person to deal with the transfer of waste". A "SUBMIT" button is at the bottom.

3 Click “DOWNLOAD WASTE NOTE” and a PDF file will be generated for you

4 Click the option “ZERO WASTE CERTIFICATE”

5 Click “GENERATE CERTIFICATE”

The form is titled "ZERO WASTE CERTIFICATE" and provides instructions: "Generate your Zero Waste Certificate as a proof of having completed your duty of care when dealing with your printer consumable waste by using the highest standards of environmental waste management." It includes a "Find out more" link and a "Click the button below to generate your certificate:" instruction. A "GENERATE CERTIFICATE" button is at the bottom.

6 Click “DOWNLOAD CERTIFICATE” and a PDF file will be generated for you that will include the percentages of reuse and recycling and will confirm our Zero Landfill Zero Incineration Zero Waste process

- When you complete the registration, you have to answer few questions (view page 4). In the question about preferred pricing model, you need to select the “HIGHER BASE COST, WITH REBATES”. Then, it will appear the following, and you will have to click “YES”

Recycle 4 Charity

Would you like to donate your cartridge rebates to a charity of your choice?
You will receive credit rebates for any reusable cartridges you send us, which you can use against future orders, or donate them to charity.

Raise more funds for your charity by letting people sign up directly from your own web site, emails, online newsletters and social media websites.

What is the Charity Intelligent Recycling Link?

A great way to increase the amount of supporters that want to recycle their items and boost the value of your quarterly donation cheque is to have our recycling banners on your website, newsletters and social media pages. The Intelligent Links are simple and free to set up and will give you the power to maximise your collection efforts.

You can also share the link with your supporters and ask them to post it on their web sites, newsletters and social media pages which will expose you to thousands more potential recyclers and thus more donations.

Not just for charities. Any fundraiser can use the link for their supported charity!

Select one or both Intelligent Recycling Links to get the personalised link, text and banner ads which are easy to implement and start raising more donations now!

	Ink Cartridge & Mobile Phone Recycling Any visitor that arrives at the Recycle4Charity.co.uk website via your intelligent link, will already have your charity selected as the beneficiary of their recycled inkjet cartridges and mobile phones. After they register, you will receive the donations automatically once every quarter.
	Toner Cartridge Recycling Any visitor that arrives at the ZeroWasteRecycling.co.uk website via your intelligent link, will already have your charity selected as the beneficiary of their cartridge rebates. After they register, you will receive the value of their rebates along with your Recycle4Charity.co.uk payment once every quarter.

- 4** The following information will appear with most valuable to be the “ZEROWASTERECYCLING INTELLIGENT LINK”.
Through this link any supporter of you can register with the service and have pre-selected your charity ID, so you can receive their rebate amounts as donations.
