Introduction & Contents

Welcome to FMM Sugarcraft, I am delighted you are reading our new catalogue including some exciting new products we have recently launched, more about those later...

We are a major manufacturer of cake decoration, bakery

and catering equipment. A family run business, established in 1948, we continue to innovate and evolve to meet changing market needs. We are very proud to be British, all products are manufactured in the UK, 100% guaranteed and made from high quality materials conforming to all food grade international standards.

From time-to-time our products have been copied in an inferior plastic and even branded as FMM, do not be deceived, these products can be incredibly badly made. Always buy from reputable FMM stockists to ensure that you are getting genuine products that work and are food standard safe.

We are proud to stand behind our products, all FMM products are guaranteed to the original owner against defects for the lifetime of the

product. If a product fails due to a manufacturing defect, even after extended use we will replace it at our discretion. No other manufacturer stand behind their products the way we do. The amount of interest in cake decoration and baking in general is increasing and demand for our products is high. Customers want specialist tools to create beautiful cake decorations effortlessly, whether they are a professional cake decorator or amateur making cakes for friends and family. Keeping an eye on emerging trends has always been at the heart of what we do, so with this in mind we are continually bringing new innovative products to market. Why not visit our website to watch the latest video demonstrations and see for yourself the amazing results that can be achieved using the FMM range of Sugarcraft tools and equipment, follow us on Twitter and click through to like us on Facebook to enter competitions, get top tips and project ideas. I hope you find our catalogue useful and informative, if you require any help with our products, magazine articles or instructions please do get in touch, we are more than happy to help.

Piping & Icing

Piping & Icing

- A great selection of high quality polycarbonate seamless tubes
- Tubes can be purchased individually or in handy packs of three
- Put the icing on the cake with piping bags that can be used with our tubes and adaptor

35mm REUSABLE PIPING BAG

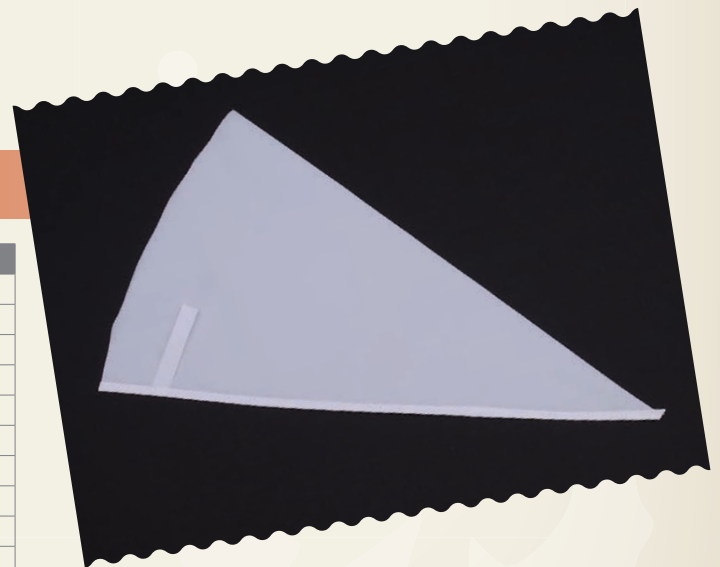

Our 35mm Reusable food grade piping bag is resistant to oil grease and abrasion, it does not stretch and is dishwasher and microwave safe. The bag is long lasting and durable, will not burst under pressure and doesn't absorb liquid or odour from foods. It is easy to wash and dry, can be turned inside out and won't lose shape. Simply trim the end to suit the size of your piping tubes, savoy tubes or icing adaptor. Finally using this bag means that there will be no sticky or greasy hands!

PROOFED NYLON SAVOY BAG

Our proofed nylon food grade Savoy bags are washable and re-usable and easy to use. Simply trim the end to suit the size of your piping tubes, Savoy tube or icing tube adaptor. Twelve sizes are available, sold individually.
