

## WARRANTY INFORMATION

Webasto heaters supplied and installed by Authorised Webasto UK Partners will receive 3 years Webasto warranty. The first 2 years covered by the International Authorised Webasto Network and the 3rd year covered by the UK Authorised Webasto Network (*subject to the heater being health checked before the end of year 2 of being in service*).

Webasto heaters purchased from Authorised Webasto UK Partners and installed by the end user will receive a 2 year International Webasto Warranty, covered by the International Authorised Webasto Network. This can be extended to a 3rd year UK Warranty if the installation is commissioned by a Authorised Webasto UK Partner after being installed by the end user.

**Warranty registration of heaters supplied and fitted by Authorised Partners will be registered automatically at time of installation by the installing Webasto Partner on the online portal.**

### Warranty Registration of Self Installed Webasto Heaters

The Webasto Authorised Supplying Partner will now register your heater on the online portal so it is registered ready for the Webasto Warranty Network Scheme.

Please see link here to the official [Webasto Authorised Partners & Dealers List](#).

Webasto International and UK Warranty is subject to Webasto Terms & Conditions as printed in the Webasto Warranty documentation.
