

FOR RESIDENTIAL AND COMMERCIAL APPLICATIONS

Introducing the
Dutemänn Glide-S

with slim-line aluminium profile

Discover **Dutemänn Glide-S**
the sliding door that won't compromise
on energy efficiency or design...

Dutemänn Glide-S is representative of cutting-edge beauty and design. The robust frame is supported by the ultra-slim profile and accented by the artfully fashioned contemporary handles providing unobstructed views.

Every Dutemänn Glide-S delivers the highest expectations of marrying design and energy efficiency. Offering fully weathered thresholds and thermal efficiency through a choice of double or triple glazing.

Dutemänn Glide-S slim-line aluminium profile

- ✓ 47mm Mullion
- ✓ Pocket Slider
- ✓ Mono Track
- ✓ Double Track
- ✓ Triple Track
- ✓ Bead Glazed
- ✓ 28mm Low Threshold
- ✓ Up to 400Kgs Per Sash

Ultra Slim Sightlines **47mm mullion**

Incorporating ultra slim profiles including a 47mm mullion and a fully weathered 28mm up stand threshold. With contemporary handles fitted as standard.

Our unique Glide-S sliding mechanism lifts the sash to deliver smooth effortless operation and performance of up to 400 kilos per panel. The reinforced frame allows for extended openings, maintaining superb unhindered views of wonderful vistas. Capitalize on brightening and inspiring spaces with maximum glass areas spanning 6.7m wide by 3.2m in height in just two panels.

Dutemänn Glide-S reinvents the inline sliding door

Dutemänn Glide-S redefines expectations of patio doors by implementing these industry leading concepts as standard with each door. Providing a 10-year guarantee, Dutemänn delivers to exacting ideals and limitless possibilities.

The harmonisation of slim sight-lines and our superb lift mechanism means Dutemänn Glide-S provides architectural flexibility and design for any patio door installation. Appealing for contemporary new build, high rise and roof-tops yet gracious for more traditional installations, Dutemänn Glide-S can meet the various needs of every project.

Track Options

Dutemänn Glide-S has it covered; offering mono, double, triple and pocket track options, allowing for various combinations of both fixed and opening sashes.

Effortless Opening

Unique Glide gearing system lifts sashes on the operation of the door handle to deliver effortless opening and closing of panels of up to 400 kilos per panel.

Huge Flexibility

Exceptional structural integrity gives the system huge flexibility. Capable of spanning an aperture of 6.7m wide by 3.2m in height in just two panels, the system is ideal for spanning large spaces.

Thermal Efficiency

Thermally efficient featuring thermal-breaking zone and cross-linked polyamide insulation. Capable of accommodating a sealed unity of up to 42mm including triple-glazed option to achieve U-value as low as 1.3w/m2.K

Secure

Multi-point locking and high security cylinders offered as standard. Track options deliver flexible opening and closing of sashes.

Weatherproof

Industry leading threshold drainage system along with the system resting on weather seals when closed meaning exceptional weather tightness.

Colours

We have developed a standard colour range which maximises the appeal but also suitability of Dutemänn Glide-S to a wide range of installations, we're also able to offer a non-standard choice of 200 RAL colours.

Sophisticated water evacuation system

Your Dutemänn Authorised Installer

Dutemänn Glide-S

DUTEMÄNN
exceeds expectations

Dutemänn is a trade manufacturer of quality bifold doors and aluminium patio and aluminium composite entrance doors. We work as a specialist supplier of products to other fabrication business who don't want to disrupt their core production to manufacture a non-core product and to installers, supplying retail and commercial markets, plus developers and builders. Our doors and service quality speaks for itself and it's why our customers choose us.
