## Laminated vs Unlaminated

**Laminated jute** has a layer of LDPE biodegradable plastic fused to one side of the material, providing some rigidity. Bags like the Farmhouse and Messenger that need structure are made with laminated jute.

**Unlaminated jute** is pliable, with a stretchable weave. It is best suited for bags that do not need to be rigid, such as the Hope or Simplicity.

# CERTIFIED ORGANIC COTTON BAGS BY FREESET.

**Better for  
people.**

**Better for the  
environment.**

**Better for you.**

Conventional cotton farming consumes massive quantities of toxic insecticides to control pests.

These hazardous toxins pollute the environment and cause serious health problems for poorly protected Indian cotton laborers.

By using natural pest control methods organic cotton farming removes the need for toxic chemicals.

You get great cotton. Farmers live healthier lives. Everyone wins. That's why we use GOTS certified organic cotton.

# SARI

.....

The sari is a traditional wrap-around garment for women, worn with one end tossed over the shoulder. Every-day attire for rich and poor alike, saris have been a colorful mainstay of the Indian woman's wardrobe for centuries.

Make your bag one of a kind\* by adding recycled cotton saris as handles, lining or decoration.

\*As no two saris are the same, every bag is unique. You can specify the range of shades you desire, but not specific colors. All saris are washed before being used in Freetset products.

## JAYASHRI'S STORY

---

“When I was working in the line my income was irregular, I never made plans or saved any of what I earned. Now that I earn a fixed salary at Freeset, I have learned how to budget and to save money.

In the beginning my confidence was zero and my sewing was very bad. I found learning difficult and I couldn't imagine that one day I would sew well, but slowly I improved and today I'm very good at it.”

# A fair trade business offering freedom through employment to women trapped in India's sex trade.

We make bags and tees, but our business is freedom!

Human trafficking and poverty feed India's sex trade, where women and children forced into prostitution face a life without choices, marginalized by society.

Freeset is a bag and apparel manufacturing business whose purpose is to provide these women with a way out of prostitution.

Women are employed on the basis of their need for a job, not the skills they bring to it. They are trained, paid a good wage and signed up to a health insurance plan and pension fund. For many it is the first time they can be proud of the place they work.

Best of all they begin their journey to freedom.

**When you buy a Freeset bag or tee, you get a great, eco-friendly product and you contribute to women's ongoing freedom from the sex trade in Kolkata, India.**
