CHUCK McFARLAND MEMORIAL SCHOLARSHIP

HELPFUL HINTS

- 1) **APPLY.** You can't get the scholarship if you don't submit the written application.
- 2) **MEET DEADLINES.** Submit the application and all required documentation by the deadline. Late or incomplete applications will not be accepted or considered.
- 3) **FILL OUT THE APPLICATION YOURSELF.** You should fill out the application, possibly with the assistance from parents or teachers or a high school counselor. All written statements must be in the student's own words. The evaluator can tell if students have not written their own statements and will not consider applications about which there is doubt.
- 4) **ANSWER ALL QUESTIONS.** Do not leave any blanks. If a section does not apply, write "Does not apply."
- 5) **SHOW HOW YOU MEET THE CRITERIA.** The criteria for the Tri-City scholarship are: academic achievement, community/school service, citizenship and character. Be sure to complete those sections of the application. The required official grade transcript and letters of reference will also show how the applicant meets the criteria. Applicants can also show how they meet the criteria in their personal essay.
- 6) **BE TRUTHFUL.** Answer all questions truthfully, even if you think a less-than-truthful answer would be better. Falsified applications will be disqualified.
- 7) **COMPLETE ALL FORMS.** Be sure all parts of the application, including additional forms such as transcripts, letters of reference, and written statements, are completed and submitted on time. Do not plan to submit some parts later; incomplete applications will not be considered.
- 8) **TYPE ALL FORMS.** All written statements must also be typed. The only exception is your signature, which must be handwritten.
- 9) **GET APPROPRIATE LETTERS OF REFERENCE.** This is an excellent opportunity to show how you meet the criteria. Tell your reference what the letter is for and provide information so that he/she can write an appropriate letter. Some people to ask:

Teachers/Counselors/Principals
Employers, current and/or former
Pastors/Priests
Supervisor for any volunteer work you are doing/have done

Ask persons who can discuss your academic/extracurricular/work experiences, not just friends, neighbors, or relatives who know you as a nice person. Do not ask persons who have important positions simply because of their positions unless they also know you because of your school/work experiences. Be sure to tell references the deadlines for submitting the letter. All letters of reference must be submitted in a sealed envelope with the signature of the writer written across the seal. All letters of reference must accompany the application.

10) **SEND APPLICATIONS AND SUPPORT MATERIAL TO THE CONSULTANT.** The address is listed at the bottom of the application form. **DO NOT SEND THE APPLICATION OR SUPPORT MATERIALS TO TRI-CITY, AS THIS IS CONSIDERED A BREACH IN CONFIDENTIALITY PROCEDURES FOR THE AWARD. ALL APPLICATIONS AND/OR SUPPORT MATERIAL SENT TO TRI-CITY INSTEAD OF THE CONSULTANT WILL BE DESTROYED WITHOUT OPENING.**
