

PAINING TO BE PROUD OF.

PAINTING SERVICES.

Combining the latest and traditional techniques Aqueduct Marina provides a quality solution providing you with a full range of painting services, from hull blacking to full repaints that will enhance and protect your boat, ensuring your piece of mind and leaving you with a result to be proud of.

WHY CHOOSE US?

CONTROLLED ENVIRONMENTS

Our modern temperature controlled workshops are insulated providing the perfect environment to paint all year round.

GRIT BLASTING & 2 PAC EPOXY

All our work is grit blasted and 2 pac epoxied as standard, providing a perfect base for the cosmetic top coats, ensuring a quality finish that will last.

TRADITIONALLY FINISHED

All boats are finished to a high quality, meticulously finished to the last detail ensuring you are left with a result to be proud of.

DETAILED DATA REPORT

Upon completion you will receive a full test result including grit blast profile, paint thickness (DFT) and repaint template. All work is completed to manufacturers standards.

HULL BLACKING.

Offering a full range of market leading products and solutions for your hull Aqueduct Marina's experienced staff can assess your boat and advise on the most suitable product for your budget.

BLACKING IS OUR BUSINESS

ADVANCED (2 Pac Epoxy)

This proven process offers your superior protection and is the surveyors choice for preserving the condition of your hull. This is achieved by grit blasting preparation and hard wearing 2 pac epoxy coatings.

PREMIUM (Various)

Providing a higher level of durability and protection these leading products are market recognised for their quality and can be carried out from start to finish in approximately 7 days.

STANDARD (Bitumen)

A cost effective alternative to premium blacking Bitumen can be applied over most coatings and is normally completed in just 7 days.
