Excellence is Our Specialty

Who We Are

We are a long-established private company, with a deep family heritage and a strong reputation for producing exemplary results.

Our Approach

To our expert craftsmen, post form and bespoke joinery is not simply an occupation, but a vocation. Our passion and attention to detail shines through in every project.

Professionalism alone only goes so far. Beyond that, we genuinely care about the finished result, as every project completion is a reflection of who we are, and why we do it.

Our Capabilities

We manufacture high-end bespoke joinery and associated finishes within the interiors industry. Beyond our talented team, Castle Post Form &

Bespoke Joinery's high-quality cabinetry, veneering, joinery, laminating, post form and finishing capabilities are supported by our own design office, our own joinery workshop, and our own finishing facility.

Our Clients

Operating within the Commercial, Residential, Educational, Industrial, Local Authority and Health sectors, we work with architects, interior designers, builders and end users throughout the UK.

We choose our clients based on shared ideals and our confidence in the project proposed. Our team only commits to projects that they feel fully capable of supporting through to completion. This is to the benefit of all parties.

Broad Understanding, Thorough Implementation

Complete and accurate implementation of your project's constituent elements does not come without a broader understanding of how those elements are to form the purposeful whole.

We recognise the importance of taking multiple perspectives: a macro understanding with nuanced precision. Combining this knowledge with our deep and diverse product experience allows us to deliver work that truly stands out.

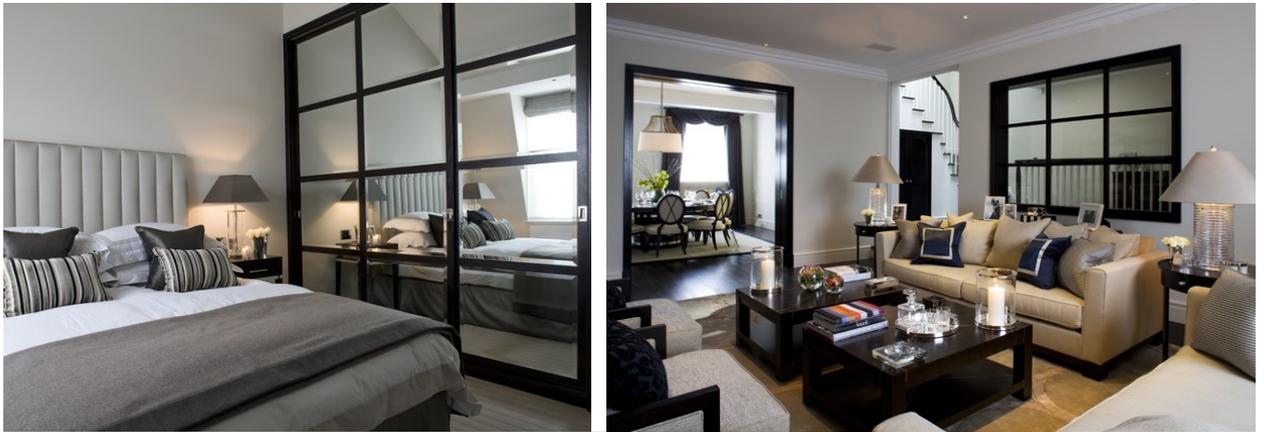

Exchequer Court: Completed 2010

Prestigious Client Portfolio

The best attract the best, which is why some of the most prestigious clients in our key sectors choose Castle Post Form & Bespoke Joinery. From Exchequer Court, to Burlington Gardens, to the House of Lords, we have contributed our manufacturing expertise to a broad selection of high-value projects.

While our clients are not without their idiosyncrasies, all share a common respect for differentiated quality. Our consistently high number of client referrals is a testament to our high client satisfaction.

Eaton Place: Completed 2012

Argyll Road: Completed 2013

Nations House: Completed 2007

Joinery works include (but are not limited to): doors (solid, panelled or glazed); frames, architraves, skirting, etc.; conference tables; wardrobes; credenzas; kitchen cabinetry; reception desks.

We also have experience in manufacturing and delivering a range of worktops and counters (Corian, solid timber, laminated, post formed, etc.) and washrooms (cubicles, IPS panels, vanity units, etc.).

Working with Us

Whether you are an architect, interior designer, builder, or high-end property developer or owner, we are looking forward to hearing from you. Please find our contact details at the bottom of this page.
