

ELEV8² TOUCH

SIT-STAND BOARDROOM TABLES

The new Elev8² Touch height adjustable tables combine unique design with versatility to transform corporate spaces like boardrooms into flexible meeting places. Lack of physical activity in offices is considered the main reason for back pain, fatigue and other complaints, and the majority of boardroom meeting are sedentary environments, so you can vary your position from sitting to standing allowing for a variety of postures throughout the meeting.

Double Motor

Sit-stand table height adjustment is made through a twin motor for fast, fluid and natural movement of the 25mm table tops with a maximum weight loading of 160kg

Three Part Frame

The three tiered leg column offers adjustability from 675mm to 1300mm with a low noise level of 39db to provide all the health benefits of periodic standing

Table Tops

Featuring durable 25mm melamine table tops available in 5 finish options, which can be extended with additional tables in the same size and colour for a table to fit any boardroom size

Integrated Technology

Using the latest technology, Elev8² height adjustable boardroom tables can be transformed into interactive and inspiring workspaces using integrated power and data modules

Finish Options

Table tops available in Beech, Maple, Oak, Walnut and White. Frames available in Black, Silver and White

ADAPT

BENCH BOARDROOM TABLES

Beautifully designed and aesthetically pleasing, the Adapt boardroom table comprises a sturdy steel subframe and table tops which take on a floating appearance. Table legs can be shared, making it an aesthetically pleasing, cost effective and practical conference collection with robust customisable options for meeting room and boardroom needs.

25mm Table Tops

Featuring durable 25mm melamine table tops available in four finish options, with steel framework available in black, silver and white

Modular Configurations

Each configuration begins with a starter unit - then simply extend with an add-on unit in the same width, depth and colour. Tables can be extended further with additional add-on units

Bench Legs

Steel legs and framework for enhanced strength and stability, with recessed legs positioned in the centre of the table clusters when creating multiple configurations

Integrated Technology

Using the latest technology, Adapt boardroom tables can be transformed into interactive and inspiring workspaces using integrated power and data modules

Finish Options

Table tops available in Beech, Walnut, White and White with Oak trim. Frames available in Black, Silver and White
