

16 March 2020

Dear Parents

In light of the continued spread of the Coronavirus and potential implications for schools, we wanted to provide some support and guidance on what a school day at home might look like.

For many parents the thought of managing a school day at home, whilst there might be other challenges, can be daunting. At this stage it is very difficult to predict what school closure might look like. However, we can provide some guidance on what your daughter's day might look like.

Here is a breakdown of what your day could look like:

EYFS (Nursery and Reception)

08.30am	Start the day with some physical activity, this might be some dancing, cosmic yoga, running/skipping or jumping in the garden *
9.00am	English based activity as set by teacher
9.45am	Try some fun phonics as set by teacher
10.00am	Break*
10.20am	Maths based activity as set by teacher
11.20am	Listen to a story and ask/answer open ended questions. Read a book to an adult.
12.00pm	Lunch*
1.15pm	Creative time/Topic work – make, colour, paint, sing, dance, practise an instrument. See weekly overview.
1.45pm	Project time/child initiated play - choose from range of activities
3.00pm	Practise gratitude – draw a picture of what you are thankful for

3.

As you can see this timetable is adapted to the one your daughter is used to. We also appreciate that it might not be possible to stick to the suggested timetable and it is only provided as guidance. The extenuating circumstances have been taken into account and we feel strongly that yours and your daughters' wellbeing should be prioritised.

If your daughter is self-isolating but well, an additional 'Self-Isolating Work' folder will be set up on Firefly this week. This can be found in the year group folder. In this folder will be photos of completed work by another child in the year group – your daughter can carry out tasks based on this. Please note this will be provided a day later. There will also be a daily maths activity and reading task set.

In addition to this, we also have to take into consideration the well-being of our teachers and the additional work-load that has been created for them, at a time where they may also have to care for the young and elderly.

We would like to thank you for your understanding – I'm sure that together as co-educators we will maximise the output at this unprecedented time.

Yours sincerely,

Mrs A Morjaria
Deputy Head Academic (Junior School)
