## Press Release

September 2016

### Subject: New Diffuser Bottle Standard – CAPRI 100ML

Continental Bottle Company is pleased to announce a new Diffuser Bottle Standard that will be introduced into their collection.

For some time now it was recognised that the Capri family of bottles was missing a 100ml to compliment the ever-growing demand. Our Capri 100ml will sit alongside the existing 200ml, 500ml, 700ml, 750ml and 1-litre bottles later this year.
