G-Cloud
Supplier

125GB Mailbox

Share and reallocate mailbox storage as needed, with daily backups and up to 30 days of deleted data recovery.

ActiveSync

Mobile email synchronisation for iPhone®, iPad®, Android®, Windows®, Mobile and Blackberry® devices.

Shared Calendars and Contacts

Compare calendars to schedule meetings and access collaboration features, including shared calendars, groups, the global address list, external contacts, tasks, conference rooms, and delegation capabilities.

Premium Anti-Virus and Anti-Spam Protection

Hosted Exchange includes multi-stage, server-level virus detection. Three-layer scanning system keeps your inbox safe and can handle spikes for long periods of time, processing every email without causing any delays.

Disaster Ready

In case of server failure, automatic failover to a backup cluster happens in real-time; data backs up nightly to geographically redundant data centres.

Public Folders

Share files with other people using the same computer and with people using other computers on the same network.

Company Disclaimer

Includes a standard company disclaimer or other message in outgoing email messages.

SLA

Industry leading uptime guarantee: 100% availability SLA means your email will work, or you'll receive credit toward your next invoice.
