

Corporate social responsibility company policy

This Corporate Social Responsibility company policy template is ready to be tailored to your company's needs and should be considered a starting point for setting up your social responsibility employment policies.

Policy brief & purpose

Our Corporate Social Responsibility (CSR) company policy refers to our responsibility toward our environment. Our company's existence is not lonely. It's part of a bigger system of people, values, other organizations and nature. The social responsibility of a business is to give back to the world just as it gives to us.

What is corporate social responsibility?

Our Corporate Social Responsibility (CSR) company policy outlines our efforts to give back to the world as it gives to us.

Scope

Policy elements

We want to be a responsible business that meets the highest standards of ethics and professionalism.
