

WHY KLEENGUARD™ BRAND?

It's Not Business. It's Personal.

WE KNOW YOUR BUSINESS BECAUSE WE'RE PART OF THE SAME FAMILY.

As a manufacturer, Kimberly-Clark Professional™ puts safety first when it comes to our own workers in production facilities nationwide. We understand the importance of protection so workers can return home to their loved ones.

That's why we've engineered our KleenGuard™ Personal Protective Equipment (PPE) with your safety, productivity, comfort and style in mind.

ILL-FITTING PPE COMPROMISES WORKER SAFETY AND PRODUCTIVITY.

KleenGuard™ Brand uses human-centric design so our protective apparel, eyewear and gloves fit you comfortably. Constantly adjusting or modifying PPE can slow you down and risk safety compliance. Our PPE is designed for maximum safety and productivity.

WORKERS SHOULDN'T HAVE TO COMPROMISE STYLE FOR SAFETY.

KleenGuard™ PPE is not generic, and neither are you. We offer apparel, eyewear and gloves with stylish personalization and added features, like bright colors, reflectors, visible glove grips and more. So, there's no need to risk safety for style.

YOU HAVE PRIDE IN THE WORK THAT YOU PERFORM.

KleenGuard™ Brand provides every worker with the ability to do his or her best work while wearing PPE that allows you to be uninhibited and free to move with purpose. Now, you can **PERFORM WITH DISTINCTION** with the power of KleenGuard™.

BE EMPOWERED!
