## COMMERCIAL DESK RANGE

With a design that's stood the test of time across multiple organisational settings, Maestro defined the industry standards for 18mm desking and is designed to help you get the job done. In keeping to the design philosophy that less is more, the highly practical, durable and affordable Maestro range delivers only what is required for a well-functioning office environment.

Boasting a wide range of configurations and desk options, Maestro is also available in cantilever leg, H-Frame leg and panel end leg designs to suit all requirements for function, style and most importantly budget. The extensive choice of co-ordinated storage includes pedestals, bookcases, cupboards and cabinets that offer more choices than any other desking range in the UK.

### 18mm Desktops

Featuring sturdy 18mm melamine worktops available in beech and oak finish options, with a choice of screen styles, sizes and colours to complement the range

### H-Frame Leg Design

The fully welded H-frame leg design ensures a strong and stable workstation. The traditional four leg design is complete with adjustable feet

### Cantilever Leg Design

The cantilever leg frame ensures easy movement and space under the desk and is fully welded for strength and stability. Feet are fully adjustable

### Panel Leg Design

Featuring durable 25mm panel legs available in two finish options, with a choice of screen styles, sizes and colours to complement the range
