

New i30

 NEW THINKING.
HYUNDAI NEW POSSIBILITIES.

The style and practicality to grace every occasion.

The New i30's stylish bodywork and smooth lines will whet your appetite for what's to come. Once you get behind the wheel, you'll enjoy superb responsiveness on every drive. Opt for the athletic hatchback or distinctive Tourer, the sense of true quality remains the same.

Quality in every aspect

With its fluidic design that conveys a constant sense of motion, New i30 makes a bold first impression. On the road, you'll appreciate the agile handling and economy offered by both petrol and diesel engines. Enjoy extra flexibility with a choice of manual and automatic transmissions, plus the dual clutch transmission option on selected models that will help to keep emissions low. Intelligent Blue Drive innovations further reduce CO₂ and improve fuel economy, creating the perfect blend of high performance and cost-saving efficiency.

Car shown i30 5 door Premium in Sleek Silver metallic paint. Not to UK specification.

The i30 is defined by quality, both inside and out.

Stylish upholstery and an abundance of soft touch surfaces bring a premium feel throughout. With the latest technologies making your life even easier, you won't want the journey to end.

Technology for every trip

A spacious layout ensures maximum comfort, while quality fabrics add an extra element of style. Bluetooth® connectivity with voice recognition and audio controls help you stay in touch on the road. On SE models and above, rear parking sensors will help you fit into tight spaces and a rear view parking camera on SE Nav and Premium models will assist you even further. SE Nav and Premium also come with a touchscreen satellite navigation system, which will get you to your destination on time thanks to the Traffic Messaging Channel that re-routes you to avoid traffic jams. On Premium, you won't need to fumble for your keys thanks to keyless entry, while leather upholstery* and heated front seats will add to the overall feeling of luxury.

It doesn't command your attention, it demands it.

Athletic looks combined with dynamic performance guarantee exhilaration on every drive. A combination of style and agility give the i30 Turbo an aura that you can't ignore.

Style with substance

You expect a dynamic drive from the i30 Turbo, and it won't disappoint. The 1.6 litre Turbo GDi petrol engine enables it to accelerate from 0-62mph in just 8 seconds flat, and even then it's just getting started. It was expertly developed at Hyundai's cutting edge Nürburgring testing facility, resulting in a precise and exciting driving experience every time you take it for a spin. On the outside, its impressive performance is equalled by superb exterior design. Let your eyes move across its bold features, from the sports body kit to the imposing 18" alloy wheels. The new radiator grille makes it look dominant from the front, while a dual rear muffler completes the look. Available in both 3 and 5 door options, it's the perfect blend of style, performance and functionality.

Car shown i30 Turbo 3 door in Turbo Black paint.

An abundance of features, take it for a spin.

The exterior builds your expectations and the interior surpasses them. With clever technologies in a tactile environment, it's a thrilling experience from beginning to end.

Comfort and connectivity

Step inside the i30 Turbo and feel your pulse begin to quicken. Before you set off, take a moment to appreciate the view inside, from the stylish upholstery to the generous list of features at your fingertips. Admire the attention to detail, from the attractive alloy pedals and red trim on the leather heated steering wheel, to the cooling ambience of climate control – everything feels just right. Cloth leather effect upholstery on the sports bucket seats add an extra dash of style and comfort, while Bluetooth® connectivity helps you stay in touch on the road. Touchscreen satellite navigation including Traffic Messaging Channel will get you to your destination on time and without fuss. To top it all off, the rear view camera and rear parking sensors will ensure you park quickly and safely, so you don't risk scratching your pride and joy.
