

PRODUCT SPECIFICATION - APPLICATION & USE

PRODUCT NAME: **BULK DE-ICER**

GENERAL DESCRIPTION: Dark blue liquid.

USE FOR WHICH PRODUCT IS INTENDED: A dual product which not only de-ices but can be used as a windscreen wash.

SPECIAL EQUIPMENT REQUIRED: None.

METHOD AND CONDITIONS OF USE: Frost protection when used as a screen wash:

DILUTION IN WATER

1 part BULK DE-ICER to 1 part water
2 parts BULK DE-ICER to 1 part water
Neat as supplied

FROST PROTECTION

down to -12 degrees centigrade
down to -20 degrees centigrade
down to -30 degrees centigrade

Drain wash bottle. Refill with required strength solution. Top up with clean water.

Use undiluted when used as a de-icer.

Clear away all loose snow and ice. Spray the concentrate onto the area to be treated and clear away melted ice with a scraper. To prevent screen refreezing, apply a light spray to surface and leave without wiping off.

METHOD OF CONTROL: N/A.
