*Locks of Love* commits to all recipients on a LONG-TERM basis, allowing them to receive custom prostheses, every 2 years until the age of 21. Because of these extended promises, our current financial obligation is many multiples of our annual expenses. Currently, we hold in unrestricted financial reserves approximately 8 times the annual expenses of 2017, (\$765,466) \$6,145,476. While the number does not meet the current financial obligation to our children, our goal is to fulfill our promise of support until each child reaches their 21st birthday.
