If you would like to become a member of KTAT it costs just £10 per year and you can then have your say on our policies and vote for the Trustees at the AGM each year. You will need to complete a Membership form (available on our website) as well as this Volunteer Registration Form. Please note that only Volunteers who also join KTAT as Members can access the affordable woodland products that arise from KTAT's work. Some training courses will only be available to Members but others will be open to all Volunteers, though Members and Friends are usually given first choice if places are limited.
