

TY-DECK

POLYURETHANE SCREEN MEDIA

TY-DECK POLYURETHANE SCREEN MEDIA

TY-DECK

Ty-Deck modular panels are poured open cast and permanently harden when cured to maintain the chemical properties required to resist wear.

- Lasts 1-1/2 to 2 times longer than injection molded screen media
- Lightweight, modular design makes for easy installation
- Available in most modular hold-down systems

TOP SIZE

Up to 12" (304.80mm) depending on the application and tonnage.
