CCMA WELCOME

On behalf of the Canadian Country Music Association's Board of Directors and Staff, thank you for joining us for the 38th edition of Country Music Week.

Welcome To Edmonton!

This Pocket Guide features the complete Country Music Week schedule which has been compiled by the Canadian Country Music Association, the Edmonton Host City Committee and our local and national suppliers. Please take a moment to review the invaluable contents of this Pocket Guide, and take note of the many events, seminars, showcases and award celebrations.

We are thrilled to be back in Edmonton for the second year in a row. As a gracious and hospitable host city, we hope you'll take advantage of the many things to see and do outside of our Country Music Week activities when time permits. Please note that there are a number of event and venue changes from last year, so we encourage you all to review the calendar of events (see Week at a Glance on pages 10 and 11 for a quick overview) before heading out on your daily adventures.

Should you have any questions, the CCMA Registration Desk is open for most of the week (see Essential Info on page 5), and is located this year in the Chairman Room of the Westin Edmonton Hotel. Please also take advantage of the Country Connectors program (outlined on page 36), as these individuals are only too happy to offer a helping hand or answer any questions you may have about the CCMA or Country Music Week.

The CCMA is built upon the foundation to educate, elevate and celebrate the Canadian country music industry, and a great way to do that throughout Country Music Week is via social media. Share your experiences as they happen on your favourite platforms, and help us spread the word to the Twitterverse and our combined friends and followers of what it means to be a part of the Canadian country music industry and this memorable annual event. For all of the CCMA official social media accounts, and our hashtags for this year, check out the CCMA Get Connected information on the previous page (page 3).

Our thanks to everyone involved in making Country Music Week 2014 possible, with special mention to the Edmonton Host City Committee and our many sponsors for their continued support. Please be sure to look at page 8 and 9 of this Pocket Guide for a listing of this year's key sponsors and partners, without whom this event wouldn't be possible.

Thank you all again for the effort you have made to be here, and for the support you have given to the CCMA. I hope you enjoy this year's Country Music Week and all of the non-stop celebrations!

Sincerely,
Don Green

SHUTTLE BUS INFORMATION

CCMA AWARDS SHOW • On Sunday, September 7, the Tour of Alberta cycling competition will also be taking place in Edmonton. This will result in numerous road closures from approximately 10AM through 5PM. For those who would prefer shuttle service to Rexall Place, six buses only, provided by Red Arrow, will depart from the north-east corner of Jasper Avenue and 100 Street on Sunday, September 7, commencing at 3PM, and will be filled on a first come, first served basis, or until 3:30PM.

The CCMA strongly encourages Country Music Week delegates to take the LRT to Rexall Place for the CCMA Awards Show. This mode of transportation, and route, will be much quicker than the shuttle buses. There will be a limited number of FREE LRT passes, provided by the City of Edmonton, available at the Information Desk of each host hotel, for those wishing to take this mode of transportation.

Following the CCMA Awards Show, Red Arrow shuttles will run from Rexall Place to the Expo Centre for the Post Awards Reception and then loop back downtown. Buses will be set up along Wayne Gretzky Drive, across from the Coliseum Inn, outside of Rexall Place. Shuttles will also run from the Post Awards Reception back to the host hotels until 9:30PM. For those interested in taking the quick walk from Rexall Place to the Expo Centre for the Post Awards Reception, take the 118th Ave exit out of Rexall Place (south side), and walk over pedway.

AIRPORT SHUTTLES • For those requiring return transportation to the Edmonton International Airport on Monday, September 8, please note that Red Arrow will be providing shuttle service from the three host hotels, starting at 7AM. These shuttles will depart every hour, on the hour, until 12PM. Each host hotel will have a clearly marked designated shuttle pick-up location.

For up-to-date shuttle information onsite, please visit the Information Desks located at each host hotel, or at the CCMA Registration Desk at the Westin Edmonton.

SESSION 1 HOSTED BY: Jay Semko

CITADEL THEATRE, The Club Lounge

OPEN TO PUBLIC • Presented by SOCAN

It's impossible to ignore what some consider to be the greatest aspect of country music, and what makes it resonant as a genre - the songwriting. The CCMA Songwriters' Series celebrates the crafting of original songs and the stories behind the words, indulging listeners with both new and familiar faces in the process. This four-day, acoustic performance series is sure to inspire and evoke strong emotions in all who attend; so be sure to stop by for a listen - you'll surely be glad you did. From Canada's most iconic country songs to today's biggest hits, from up-and-coming artists to established faces you know and love, the CCMA Songwriters' Series has something for everyone; and culminates on the Sunday of Country Music Week with a session that features master class songwriters from both sides of the border in a guitar pull setting. The CCMA Songwriters' Series is open to the public.
