TRAINING TO PERFECTION

This month members of the sales and engineering team attended some refresher training at Grundfos and Lowara offices.

The training focused on the fundamentals of pump operations, issues associated with pumping and how to size pumps for the correct application. Cougar staff members were also given a detailed insight into new product ranges.

So there you have it... Cougar are up to date!

“

BERKHAMSTED
SCHOOL

Dear Cougar,
Thank you ever so much for welcoming our students for work experience last week.

We really appreciate all of the work that you and your team put into making them feel welcome.

It would be wonderful if you would potentially consider welcoming some of our students again next year! In the meantime thanks once again.

-Sarah & Alison

Berkhamsted School

Reading Community
Learning Centre

I was very happy and pleased with the prompt service from Cougar Pumps!

They had a caring and helpful approach to the charity.

All the staff, trustees and visitors appreciate the warm environment.

-Aisha Malik
