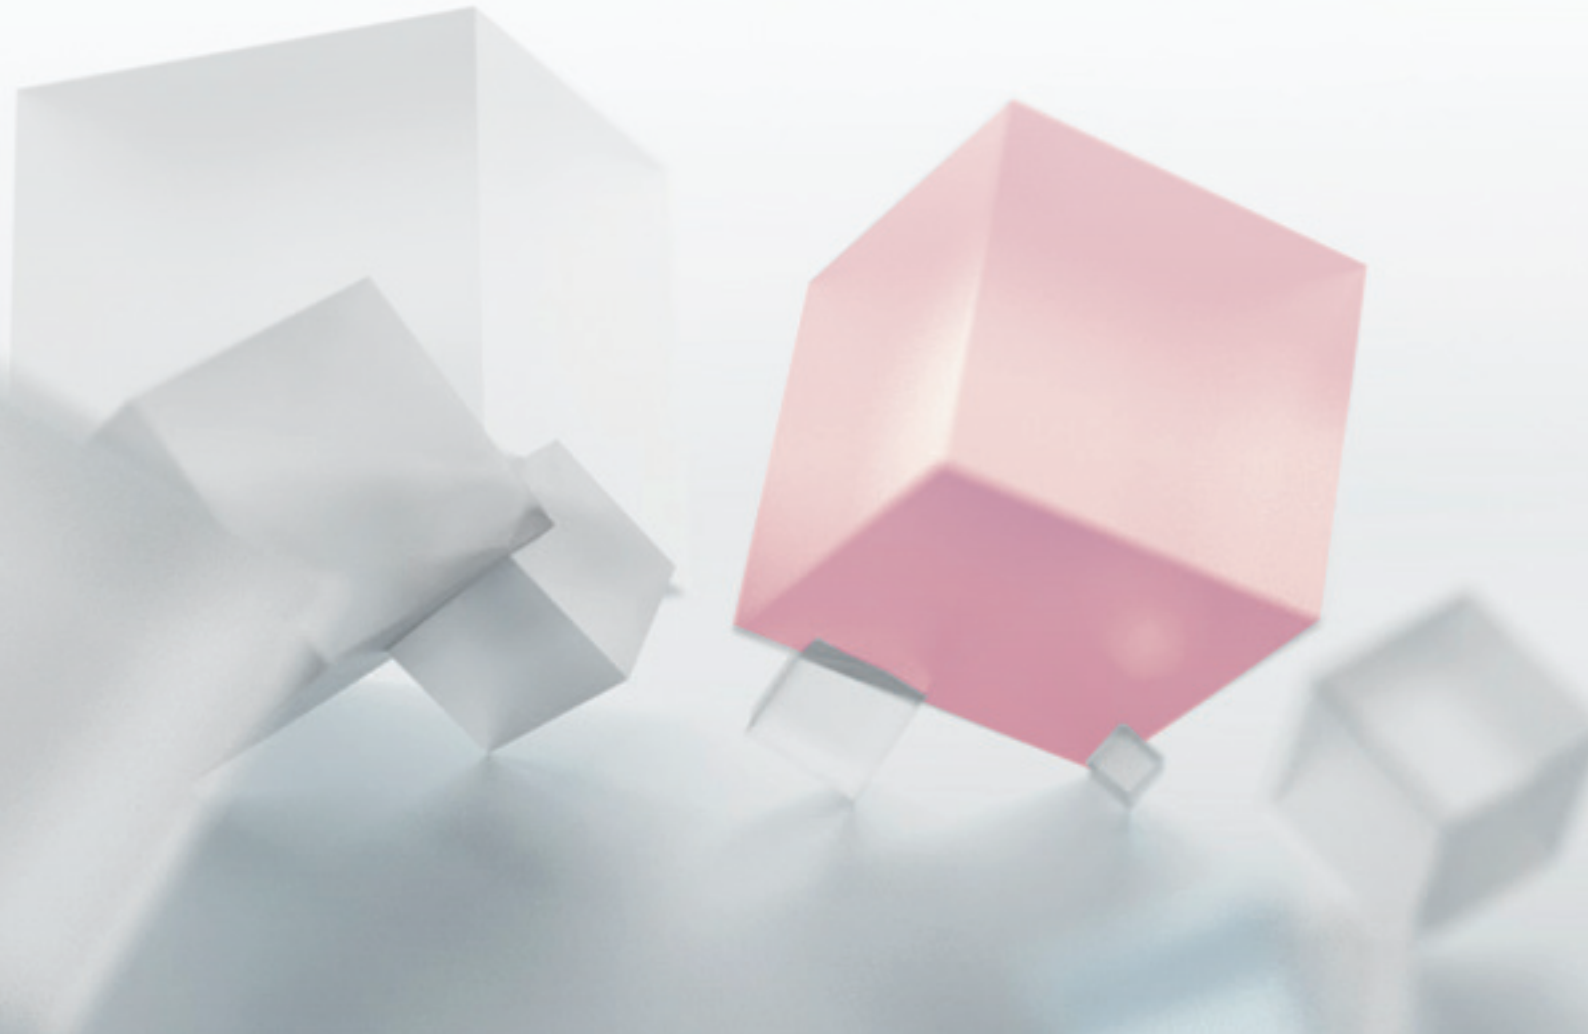
Standard Package

The essential building blocks for your business



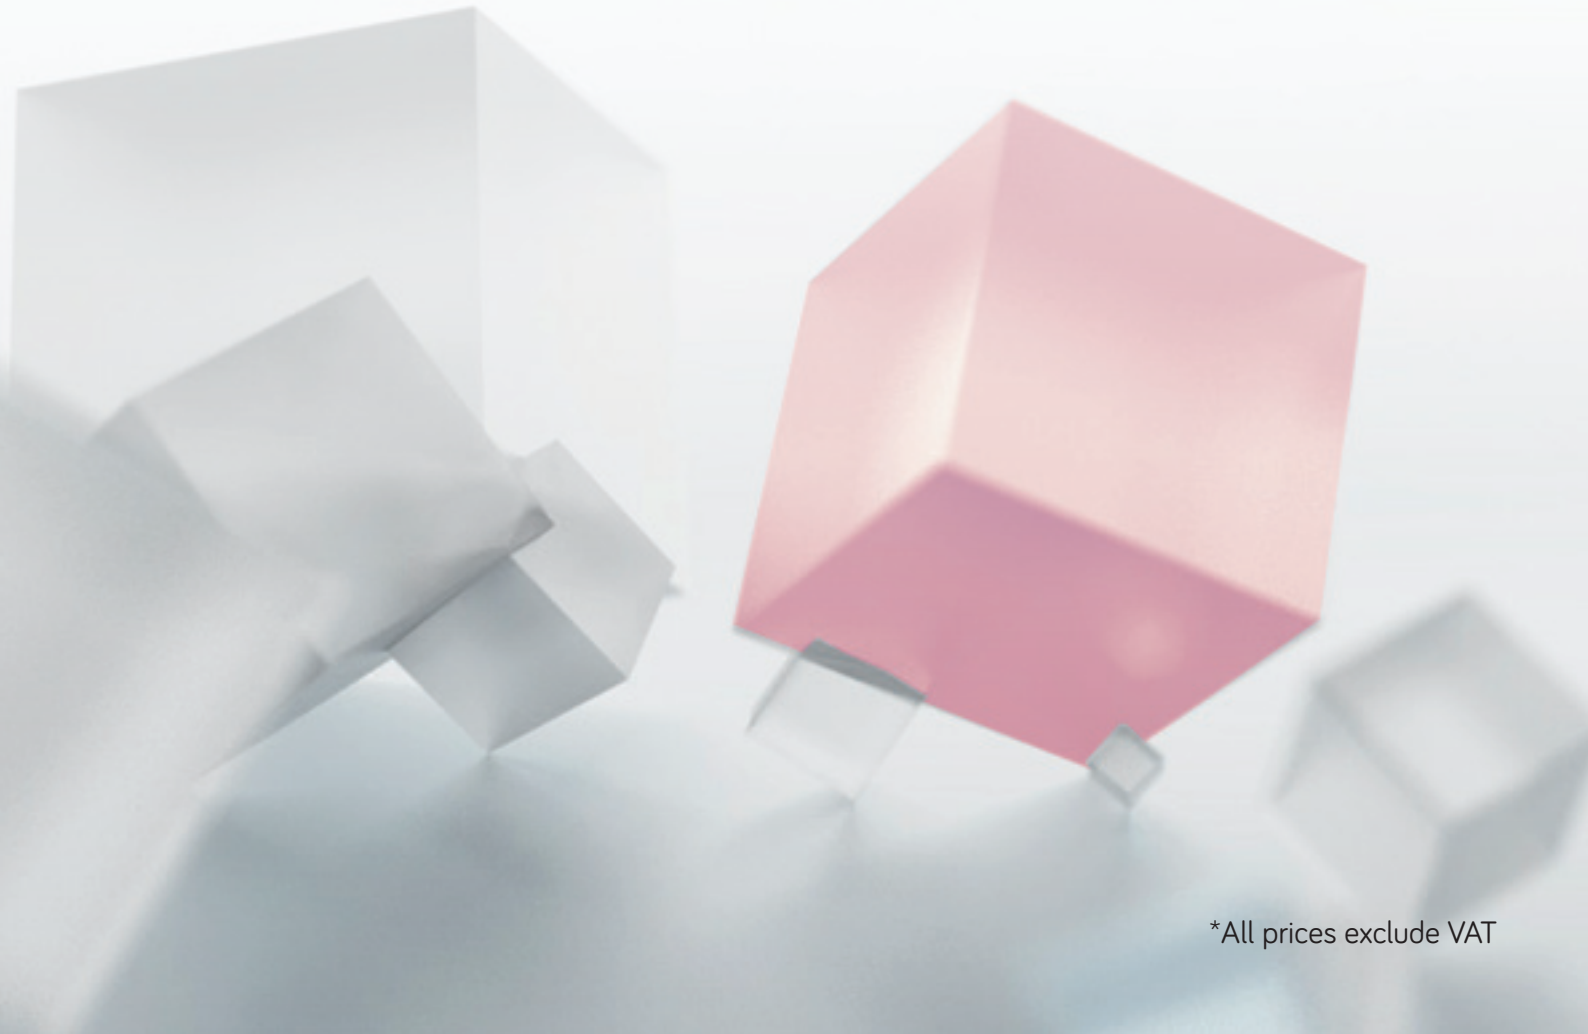
Standard Package

Designed for very small businesses, our Standard Package will support you and your business with ease so you have very little disturbances in your day-to-day activity. You will pay a fixed monthly cost that is calculated with your business in mind and you have up to 2 hours of remote support per month.

These are the services we offer:

- Telephone and Remote Support (2 hours);
- Existing backups are monitored;
- Validation of backups and restoration of files, if needed.

Prices start from £110*



*All prices exclude VAT
