

Amendment to the Bylaws

The board of directors agreed to change (**Article X - Section 10.02 – Point B**: “All three members of the Elections Committee must be voting members of ICOB and cannot be members of the Board of Directors”); to read: “All three members of the Elections Committee cannot be eligible voting members from the Islamic Center of Bothell (ICOB). Rather they have to be neutral members, whom are selected from our surrounding community. This is so to preserve the neutrality of the process and to hold a fair election.”

In witness whereof, we have hereunto subscribed our names this day of March 3rd, 2012.

Jeremy Mseitif

President, Islamic Center of Bothell
